Zinc & Silver of India

- World's largest integrated producer of zinc
- Amongst the top 5 global producers of silver

Steel & Ferrous

- One of the largest Indian private sector exporters of iron ore
- Largest ferroalloys producer by FY28
- 7th largest integrated domestic steel producer

CRITICAL MINERALS

Sterlite Copper

One of the largest copper production capacities in India

India's only nickel producer

11 Critical Mineral Blocks Secured

Vanadium, Graphite, Cobalt, Manganese, Potash & Halite, Tungsten, Rare Earth Elements (REEs), Nickel, Chromium & Platinum Group Elements (PGEs)

ENERGY

Largest private oil & gas exploration & production company in India, contributing quarter of domestic hydrocarbon production

Power

Amongst the largest private thermal player by capacity in India

HINDUSTAN ZINC
Zinc & Silver of India

One of India's largest producers of wind power

TECHNOLOGY

Among only 4 global manufacturers of glass substrates

FY25 FINANCIALS

17.8 \$bn

In Revenue

5.15 \$bn

Group EBITDA

LEGACY OF BUSINESS EXCELLENCE

10 \$bn

Growth Capex
over last 10 years

14 \$bn

Dividend over
last 10 years

OUTSTANDING INVESTOR RETURNS

76%

5-year accumulated
dividend yield;
**Topping Nifty 50
companies**

621%

5-year total
shareholding return;
**Highest among
metal peers**
