

Exciting Opportunity at Vedanta Group

INVITING GLOBAL ADVISORS TO SET UP PRIVATE EQUITY MODEL TO HOUSE FUTURE DEMERGED BUSINESSES

Vedanta is a global leader in mining, hydrocarbons and energy, operating a diverse portfolio of world-class, cost-efficient assets.

Vedanta is seeking advice and implementation to set up a Private Equity (PE) model holding company. The Vedanta Group which has US\$30bn market cap, US\$8bn profits and over 100,000 employees is demerging into around 18 entities globally with operations across South-East Asia, Africa and India with over 50% retained ownership in each. We are looking for independent management to run all 18 entities, each of which have the potential for ten-fold growth.

INVITING ADVISORS WHO CAN:

- Define holding structure/ private equity structure
- Develop management ownership incentive structure
- Advise and implement de-centralized management across the entities
- Empower the management to run the businesses
- Develop structure for the promoter's 75% asset pledge to social welfare

We invite consultants, banks, PEs, and advisors with relevant experience to reach out by April 15th, 2025. Submission link in the caption.
