

Vedanta is preferred bidder for Janthakal iron ore mine

The Hindu Bureau

BENGALURU

Vedanta Limited, a natural resources and critical minerals company, has been declared as the preferred bidder for the Janthakal iron ore mine in Chitradurga. The company emerged successful in the e-auction process conducted by the Department of State Mines and Geology.

The Janthakal block spans 71.16 hectares and is categorised as a G3 level exploration site, according to a company release.

The award is subject to subsequent approvals, clearances, and fulfilment of conditions laid out in the tender.
