'Don't let valuation become your purpose': Vedanta's Anil Agarwal to young entrepreneurs

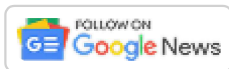

"Valuation is like oxygen. In today's startup ecosystem, you need it a lot to survive. But remember that you didn't start living just to breathe," says Anil Agarwal

Vedanta chairman Anil Agarwal

Vedanta chairman Anil Agarwal on Tuesday shared a message for young startup founders, urging them not to lose sight of their original purpose while chasing funding, valuations and growth milestones.

In a post addressed to entrepreneurs, Agarwal compared valuations to oxygen, saying they are necessary for survival in
