Dear Sir(s),

Pursuant to Regulation 30 of Listing Regulations, we wish to inform you that Vedanta Limited has been awarded the Kuraloi (A) North coal block, located in Jharsuguda district, Odisha. The coal block is an optimal fit for the company's Jharsuguda smelter given its logistical location and annual capacity. The mine has geological reserves of 1,680 million tonnes and an estimated per annum capacity of 8 million tonnes. Once operational, it will provide fuel security, improve power availability and further strengthen the company's aluminium operations and performance.

We request you to kindly take the above information on record.

Thanking you

Yours sincerely,
For Vedanta Limited
