Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Vedanta Limited**

1. We have reviewed the accompanying Statement of unaudited Consolidated Financial Results of Vedanta Limited (the "Holding Company" or "the Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and joint ventures for the quarter ended December 31, 2020 and year to date from April 1, 2020 to December 31, 2020 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 (the "Circular") issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable

4. The Statement includes the results of the entities as mentioned in Annexure I.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 and 9 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of matter

6. We draw attention to note 3 of the accompanying consolidated financial results which describes the uncertainty arising out of the demands that have been raised on the Group, with respect to government's share of profit oil by the Director General of Hydrocarbons. Further, one of the pre-conditions for the extension of the Production Sharing Contract (PSC) for the Rajasthan oil block is the settlement of these demands. The Group, believes it is in compliance with the necessary conditions to secure an extension of this PSC, and based on the legal advice believes that the demands are untenable and hence no provision is required in respect of these demands. Our conclusion is not modified in respect of this matter.

Other matters

7. The accompanying Statement includes the unaudited interim financial results and other financial information, in respect of:
 - 8 subsidiaries, whose unaudited interim financial results include total assets of Rs 14,577 Crores as at December 31, 2020, total revenues of Rs 2,185 Crores and Rs 5,207 Crores, total net profit after tax of Rs. 342 Crores and Rs. 490 crores, total comprehensive income of Rs. 342 Crores and Rs. 489 crores, for the quarter ended December 31, 2020 and for the period from April 1, 2020 to December 31, 2020, respectively, as considered in the Statement, which have been reviewed by their respective independent auditors.
 - 1 associate, whose unaudited interim financial results include Group's share of net profit of Rs. Nil and Group's share of total comprehensive income of Rs. Nil for both the quarter ended December 31, 2020 and for the period from April 01, 2020 to December 31, 2020, as considered in the Statement whose interim financial results, other financial information have been reviewed by their respective independent auditors.

The independent auditor's reports on interim financial results of these entities have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries and associates is based solely on the report of such auditors and procedures performed by us as stated in paragraph 3 above.

8. Certain of these subsidiaries and associates are located outside India whose financial results and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial results of such subsidiaries and associates located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion in so far as it relates to the balances and affairs of such subsidiaries and associates located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.
9. The accompanying Statement includes unaudited interim financial results and other unaudited financial information in respect of:
 - 12 subsidiaries, whose interim financial results and other financial information reflect total assets of Rs. 7,315 Crores as at December 31, 2020, and total revenues of Rs. 221 Crores and Rs. 346 crores, total net loss after tax of Rs. 69 Crores and Rs. 261 crores, total comprehensive loss of Rs. 69 Crores and Rs. 260 crores, for the quarter ended December 31, 2020 and for the period from April 1, 2020 to December 31, 2020, respectively, as considered in the Consolidated financial results;
 - 1 associate and 3 joint ventures, whose interim financial results includes the Group's share of net profit of Rs. Nil and Group's share of total comprehensive income of Rs. Nil for both the quarter ended December 31, 2020 and for the nine month period ended on that date;

S.R. BATLIBOI & CO. LLP

Chartered Accountants

- 1 unincorporated joint venture not operated by the Group; whose financial statements includes the Group's share of total assets of Rs. 131 crores as at December 31, 2020.

as considered in the Statement whose interim financial results and other financial information have not been reviewed by their auditor(s).

These unaudited interim financial results and other unaudited financial information have been approved and furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the affairs of these subsidiaries, joint ventures and joint operations and associates, is based solely on such unaudited interim financial results and other unaudited financial information. According to the information and explanations given to us by the Management, these interim financial results are not material to the Group.

Our conclusion on the Statement in respect of matters stated in para 7, 8 and 9 above is not modified with respect to our reliance on the work done and the reports of the other auditors and the financial results certified by the Management.

**The impairment was triggered majorly due to the significant fall in crude oil prices primarily consequent to the outbreak of COVID-19

3 The management is of the opinion that the Company is eligible for automatic extension of Production Sharing Contract (PSC) for Rajasthan (RJ) block on same terms w.e.f May 15, 2020, a matter which is sub-judice. In parallel, Government of India (GoI), accorded its approval for extension of the PSC, under the Pre-NELP Extension policy as per notification dated April 07, 2017, for RJ block by a period of 10 years w.e.f. May 15, 2020 vide its letter dated October 26, 2018 subject to fulfillment of certain conditions.

One of the conditions for extension relates to notification of certain audit exceptions raised for FY16-17 as per PSC provisions and provides for payment of amounts, if such audit exceptions result into any creation of liability. In connection with the said audit exceptions, US\$ 364 million (₹ 2,659 Crore), relating to the share of the Company and its subsidiary, has been raised by DGH on May 12, 2020. The Company has disputed the same together with all the other audit exceptions for the said year and for the subsequent year, notified till date, as in the Company's view the audit notings are not in accordance with the PSC and are entirely unsustainable and as per PSC provisions, having been disputed, the notings do not prevail and accordingly do not result in creation of any liability. The Company has reasonable grounds to defend itself which are supported by independent legal opinions. The Company has also invoked the PSC process for resolution of disputed exceptions and has issued notice for arbitration. The Tribunal stands constituted. Further, on September 23, 2020, GoI had filed an application for interim relief before Delhi High Court seeking payment of all disputed dues. This matter is scheduled for hearing on February 11, 2021.

Due to extenuating circumstances surrounding COVID-19 and pending signing of the PSC addendum for extension after complying with all stipulated conditions, GoI has permitted the Company to continue Petroleum operations in the RJ Block with effect from May 15, 2020 until extension is signed or for a period upto January 31, 2021, whichever is earlier.

For reasons aforesaid, the Company is not expecting any material liability to devolve on account of the same or any disruptions in its petroleum operations.

4 The Company's application for renewal of Consent to Operate (CTO) for existing copper smelter was rejected by Tamil Nadu Pollution Control Board (TNPCB) in April 2018. Subsequently the Government of Tamil Nadu issued directions to close and seal the existing copper smelter plant permanently. Principal Bench of National Green Tribunal (NGT) ruled in favour of the Company but the same was set aside by the Supreme Court vide its judgment dated February 18, 2019 on the basis of maintainability alone. Vedanta Limited has filed a writ petition before Madras High Court challenging various orders passed against the Company. On August 18, 2020, the Madras High Court delivered the judgment wherein it dismissed the Writ Petitions filed by the Company. The Company approached the Supreme Court and challenged the said High Court order by way of a Special Leave Petition (SLP) to Appeal and also sought interim relief in terms of access to the plant for purposes of care & maintenance of the Plant. The Supreme Court Bench did not allow the interim relief. The matter shall now be heard on merits. The case will be listed once physical hearing resumes in Supreme court.

Further, the High Court of Madras in a Public Interest Litigation held that the application for renewal of the Environmental Clearance (EC) for the Expansion Project shall be processed after a mandatory public hearing and in the interim ordered the Company to cease construction and all other activities on the site with immediate effect. However, in the meanwhile, SIPCOT cancelled the land allotted for the proposed Expansion Project, which was later stayed by the order of Madras High Court and TNPCB issued order directing the withdrawal of the Consent to Establish (CTE) which was valid till March 31, 2023. The Company has also filed Appeals before the TNPCB Appellate Authority challenging withdrawal of CTE by the TNPCB, the matter is pending for adjudication.

As per the Company's assessment, it is in compliance with the applicable regulations and hence does not expect any material adjustments to these financial results as a consequence of the above actions.

5 Vedanta Resources Limited ("Acquirer") together with Twin Star Holdings Limited, Vedanta Holdings Mauritius Limited and Vedanta Holdings Mauritius II Limited, as persons acting in concert with the Acquirer ("PACs"), have made a voluntary open offer ("Open Offer") to the public shareholders of the Company in accordance with the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 ("Takeover Regulations"). The Company is in receipt of the public announcement dated January 09, 2021 ("PA"), the corrigendum dated January 14, 2021 to the PA ("Corrigendum"), the detailed public statement published on January 15, 2021 ("DPS") and the Draft Letter of Offer (DLOF) dated January 19, 2021 submitted to the Securities and Exchange Board of India, pertaining to the Open Offer.

- 6 Vedanta Limited has acquired control over Ferro Alloys Corporation Limited ("FACOR") on September 21, 2020. FACOR was admitted under Corporate insolvency resolution process in terms of the Insolvency and Bankruptcy Code, 2016 of India. The National Company Law Tribunal (NCLT) vide its order dated January 30, 2020 approved the resolution plan for acquiring controlling stake in FACOR. Pursuant to the approved resolution plan, the Company owns 100% share capital of FACOR. FACOR holds 90% in its subsidiary, Facor Power Limited (FPL).
- The consideration paid for the acquisition of FACOR by the Company on debt and cash free basis under the approved Resolution Plan includes cash of ₹ 56 Crore through infusion of equity of ₹ 34 Crore and inter-corporate loan of ₹ 22 Crore as well as zero coupon, secured and unlisted Non-Convertible Debentures of aggregate face value of ₹ 287 Crore to the Financial Creditors payable equally over 4 years commencing March 2021. Net cash flow for the acquisition (net of cash and cash equivalents on the date of acquisition of ₹ 11 Crore) is ₹ 45 Crore. The transaction has been accounted for on a provisional basis under Ind AS 103 and has no material impact on the profit for the quarter and nine months ended December 31, 2020.
- 7 In June 2020, as part of its cash management activities, the Company's overseas subsidiaries had extended certain loans and guarantee facilities to Vedanta Resources Limited (VRL) and its subsidiaries which were drawn over a period of time. In October 2020, certain terms of the facilities were modified. As of December 31, 2020, loans of US\$ 956 million is outstanding. The auditors in their report on the financial results for the previous quarter and half-year ended September 30, 2020 and quarter ended June 30, 2020 expressed their inability to comment on whether any adjustment is required to be made for recording these transactions initially at fair value and subsequently for recording any expected credit losses on such balances, as required under Ind AS 109. The management has now carried out the required analysis and has recorded necessary adjustments to address the aforesaid concerns. Consequentially, the results for the quarter ended September 30, 2020 have been restated by reducing the equity and carrying value of assets and increasing the liabilities by US\$ 46 mn (₹ 337 Crore), US\$ 38 mn (₹ 281 Crore) and US\$ 8 mn (₹ 56 Crore) respectively and recording net additional income of US\$ 2 mn (₹ 14 Crore) in the said period.
- The effects of the modifications in the terms of the instrument(s) and draw-down of loans resulted in a further decrease in equity, carrying value of assets and liabilities by US\$ 83 mn (₹ 606 Crore), US\$ 88 mn (₹ 643 Crore), US\$ 5 mn (₹ 37 Crore) and respectively which has been accounted for. The Company is in the process of revising the terms of the agreements with VRL and its subsidiaries from retrospective effect based on the above analysis, which is expected to be completed and accounted for during the quarter ended March 31, 2021.
- 8 As at December 31, 2020, the Company and its subsidiaries have an outstanding receivable equivalent to ₹ 424 Crore (net of provision of ₹ 209 Crore) from Konkola Copper Mines Plc (KCM), a company whose majority shares are held by Vedanta Resources Limited through its subsidiary (VRL Group), predominantly regarding monies advanced against future purchase of copper cathode/anode. A provisional liquidator has been managing KCM's affairs since May 2019, whose appointment and the liquidation proceedings have been challenged by VRL. The Group, based on its assessment considering the actions taken by VRL Group, believes that there is a high probability of success and does not expect any material adjustment to the net carrying amount of the receivables.
- 9 Consequent to the declaration of dividend (including from accumulated profits) by the subsidiaries, the unabsorbed depreciation as per tax laws and MAT balances have been utilized by the Company leading to a deferred tax (benefit)/charge of ₹ (282) Crore, ₹ 1,187 Crore, ₹ 1,001 Crore and ₹ 1,701 Crore (including ₹ 119 Crore of MAT utilisation) in the results for the quarter ended December 31, 2020, quarter ended September 30, 2020, nine months ended December 31, 2020 and for the year ended March 31, 2020 respectively. Further, during the corresponding nine months ended December 31, 2019, section 115BAA of the Income Tax Act was introduced. Based on the expected timing of adoption of the same, the Group had remeasured its deferred tax balances as at April 01, 2019 leading to a deferred tax credit of ₹ 2,501 Crore for the nine months ended December 31, 2019 and ₹ 1,774 Crore for the year ended March 31, 2020.

10 The Group has considered the possible effects of COVID-19 including on the recoverability of property, plant and equipment (PPE), loans and receivables, etc in accordance with Ind AS. The Group has considered forecast consensus, industry reports, economic indicators and general business conditions to make an assessment of the implications of the pandemic. Based on the assessment, no adjustment is required to these financial results.

11 Previous period/year figures have been re-grouped/ rearranged, wherever necessary.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Vedanta Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Vedanta Limited (the "Company") for the quarter ended December 31, 2020 and year to date from April 1, 2020 to December 31, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of matter

5. We draw attention to note 4 of the accompanying standalone financial results which describes the uncertainty arising out of the demands that have been raised on the Company, with respect to government's share of profit oil by the Director General of Hydrocarbons. Further, one of the pre-conditions for the extension of the Production Sharing Contract (PSC) for the Rajasthan oil block is the settlement of these demands. The Company, believes it is in compliance with the necessary conditions to secure an extension of this PSC, and based on the legal advice believes that the demands are untenable and hence no provision is required in respect of these demands. Our conclusion is not modified in respect of this matter.

Other matter

6. We did not audit the financial results and other financial information, in respect of an unincorporated joint venture not operated by the Company, whose Ind AS financial results include total assets of Rs 131 crore as at December 31, 2020. The Ind AS financial results and other financial information of the said unincorporated joint venture not operated by the Company have not been audited and such unaudited financial results and other unaudited financial information have been furnished to us by the management and our report on the Ind AS financial statements of the Company, in so far as it relates to the amounts and disclosures included in respect of the said unincorporated joint venture, is based solely on such unaudited information furnished to us by the management. In our opinion and according to the information and explanations given to us by the Management, these financial results and other financial information of joint venture, is not material to the Company. Our opinion on the Statement is not modified in respect of this matter

- 3 The Company's application for renewal of Consent to Operate (CTO) for existing copper smelter was rejected by Tamil Nadu Pollution Control Board (TNPCB) in April 2018. Subsequently the Government of Tamil Nadu issued directions to close and seal the existing copper smelter plant permanently. Principal Bench of National Green Tribunal (NGT) ruled in favour of the Company but the same was set aside by the Supreme Court vide its judgment dated February 18, 2019 on the basis of maintainability alone. Vedanta Limited has filed a writ petition before Madras High Court challenging various orders passed against the Company. On August 18, 2020, the Madras High Court delivered the judgment wherein it dismissed the Writ Petitions filed by the Company. The Company approached the Supreme Court and challenged the said High Court order by way of a Special Leave Petition (SLP) to Appeal and also sought interim relief in terms of access to the plant for purposes of care & maintenance of the Plant. The Supreme Court Bench did not allow the interim relief. The matter shall now be heard on merits. The case will be listed once physical hearing resumes in Supreme court.

Further, the High Court of Madras in a Public Interest Litigation held that the application for renewal of the Environmental Clearance (EC) for the Expansion Project shall be processed after a mandatory public hearing and in the interim ordered the Company to cease construction and all other activities on the site with immediate effect. However, in the meanwhile, SIPCOT cancelled the land allotted for the proposed Expansion Project, which was later stayed by the order of Madras High Court and TNPCB issued order directing the withdrawal of the Consent to Establish (CTE) which was valid till March 31, 2023. The Company has also filed Appeals before the TNPCB Appellate Authority challenging withdrawal of CTE by the TNPCB, the matter is pending for adjudication.

As per the Company's assessment, it is in compliance with the applicable regulations and hence does not expect any material adjustments to these financial results as a consequence of the above actions.

4 The management is of the opinion that the Company is eligible for automatic extension of Production Sharing Contract (PSC) for Rajasthan (RJ) block on same terms w.e.f May 15, 2020, a matter which is sub-judice. In parallel, Government of India (GoI), accorded its approval for extension of the PSC, under the Pre-NELP Extension policy as per notification dated April 07, 2017, for RJ block by a period of 10 years w.e.f. May 15, 2020 vide its letter dated October 26, 2018 subject to fulfillment of certain conditions.

One of the conditions for extension relates to notification of certain audit exceptions raised for FY 16-17 as per PSC provisions and provides for payment of amounts, if such audit exceptions result into any creation of liability. In connection with the said audit exceptions, US\$ 364 million (₹ 2,659 Crore), relating to the share of the Company and its subsidiary, has been raised by DGH on May 12, 2020. The Company has disputed the same together with all the other audit exceptions for the said year and for the subsequent year, notified till date, as in the Company's view the audit notings are not in accordance with the PSC and are entirely unsustainable and as per PSC provisions, having been disputed, the notings do not prevail and accordingly do not result in creation of any liability. The Company has reasonable grounds to defend itself which are supported by independent legal opinions. The Company has also invoked the PSC process for resolution of disputed exceptions and has issued notice for arbitration. The Tribunal stands constituted. Further, on September 23, 2020, GoI had filed an application for interim relief before Delhi High Court seeking payment of all disputed dues. This matter is scheduled for hearing on February 11, 2021.

Due to extenuating circumstances surrounding COVID-19 and pending signing of the PSC addendum for extension after complying with all stipulated conditions, GoI has permitted the Company to continue Petroleum operations in the RJ Block with effect from May 15, 2020 until extension is signed or for a period up to January 31, 2021, whichever is earlier.

For reasons aforesaid, the Company is not expecting any material liability to devolve on account of the same or any disruptions in its petroleum operations.

5 Vedanta Limited has acquired control over Ferro Alloys Corporation Limited ("FACOR") on September 21, 2020. FACOR was admitted under Corporate insolvency resolution process in terms of the Insolvency and Bankruptcy Code, 2016 of India. The National Company Law Tribunal (NCLT) vide its order dated January 30, 2020 approved the resolution plan for acquiring controlling stake in FACOR. Pursuant to the approved resolution plan, FACOR will be wholly owned subsidiary of the Company. FACOR holds 90% in its subsidiary, Facor Power Limited (FPL).

The consideration paid for the acquisition of FACOR by the Company on debt and cash free basis under the approved Resolution Plan includes cash of ₹ 56 Crore through infusion of equity of ₹ 34 Crore and inter-corporate loan of ₹ 22 Crore as well as zero coupon, secured and unlisted Non-Convertible Debentures of aggregate face value of ₹ 287 Crore to the Financial Creditors payable equally over 4 years commencing March 2021.

6 As part of its cash management activities, the Company's overseas subsidiaries had extended certain loan and guarantee facilities to Vedanta Resources Limited (VRL) and its subsidiaries. As of date, loan of US \$956 million is outstanding, while the guarantee has been extinguished. The auditors in their report on the financial results for the previous quarter and half-year ended September 30, 2020 and quarter ended June 30, 2020 expressed their inability to comment on whether adjustments, if any are required to be made to record any impairment in either the balances existing in the books of the Company or in the carrying amount of investments that the Company has in these subsidiaries, in accordance with Ind AS 109. The management has now completed its analysis, based on which the loan agreements would be revised retrospectively. Consequently, no adjustment is required in these financial results.

7 As at December 31, 2020, the Company has an outstanding receivable equivalent to ₹ 102 Crore (net of provision of ₹ 52 Crore) from Konkola Copper Mines Plc (KCM), a company whose majority shares are held by Vedanta Resources Limited through its subsidiary (VRL Group), predominantly regarding monies advanced against future purchase of copper cathode/anode. A provisional liquidator has been managing KCM's affairs since May 2019, whose appointment and the liquidation proceedings have been challenged by VRL. The Company, based on its assessment considering the actions taken by VRL Group, believes that there is a high probability of success and does not expect any material adjustment to the net carrying amount of the receivables.

8 Vedanta Resources Limited ("Acquirer") together with Twin Star Holdings Limited, Vedanta Holdings Mauritius Limited and Vedanta Holdings Mauritius II Limited, as persons acting in concert with the Acquirer ("PACs"), have made a voluntary open offer ("Open Offer") to the public shareholders of the Company in accordance with the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 ("Takeover Regulations"). The Company is in receipt of the public announcement dated January 09, 2021 ("PA"), the corrigendum dated January 14, 2021 to the PA ("Corrigendum"), the detailed public statement published on January 15, 2021 ("DPS") and the Draft Letter of Offer (DLOF) dated January 19, 2021 submitted to the Securities and Exchange Board of India, pertaining to the Open Offer.

9 During the nine months ended December 31, 2019, section 115BAA of the Income Tax Act was introduced. Based on the expected timing of adoption of the same, the Company had remeasured its deferred tax balances as at April 1, 2019 leading to deferred tax credit of ₹ 1,561 Crore for the nine months ended December 31, 2019 and ₹ 834 Crore for the year ended March 31, 2020

- 10 The Company has considered the possible effects of COVID-19 including on the recoverability of property, plant and equipment (PPE), loans and receivables, etc in accordance with Ind AS. The Company has considered forecast consensus, industry reports, economic indicators and general business conditions to make an assessment of the implications of the Pandemic. Based on the assessment, no adjustment is required to these financial results.
- 11 Other Income includes dividend income from subsidiaries of ₹ 5,843 Crore, ₹ 10,369 Crore, ₹ 2,125 Crore and ₹ 2,125 Crore for the quarter ended December 31, 2020, nine months ended December 31, 2020, nine months ended December 31, 2019 and year ended March 31, 2020 respectively.
- 12 Previous period/year figures have been re-grouped/rearranged, wherever necessary.

1. Excludes custom smelting at Copper India and Zinc India operations

Mr. Sunil Duggal, Chief Executive Officer, Vedanta, said, "We continue to strengthen our position as one of the largest diversified natural resource businesses in the world with our strategy focused on value-added growth. Our businesses stayed resilient in the quarter amidst uncertain market environment as we continued with our winning streak reporting the highest EBITDA in last two years. We continue to ramp up across the Zinc and Iron & Steel verticals along with successful project delivery in the Oil & Gas vertical. Aluminium business has had yet another exemplary quarter as it continued the momentum of cost rationalisation from improved integration and systemic improvements. As we look forward to the year, we have in place the building blocks to enhance our performance in all our businesses as we continue to deliver for all our stakeholders".

Mr. GR Arun Kumar, Chief Financial Officer, Vedanta, said, "We are focussed on driving operations effectively in this conducive price environment to maximise earnings to cash conversion, allocate capital wisely while supporting high return organic growth projects across businesses and continue to drive costs down structurally to sustain these cash flows into future.

The Balance Sheet continues to remain strong with a consolidated Net Debt / EBITDA ratio of ~1.5X with improving debt maturity profile. Yet we target to reduce net debt by above Rs 5,000 crores in the coming quarter. ROCE at double digit levels of ~13% will thus leave enough on the table to ensure good shareholder returns. The guidance has remained constant or better through the year on volumes, costs, below EBITDA items as well as growth capex thus delivering a well-managed set of financials during the year”.

4. Previous period figures have been regrouped or re-arranged wherever necessary to conform to current period's presentation

Revenues

Revenue in Q3 FY2021 was at ₹ 22,498 crores, higher by 8% q-o-q, primarily due to higher commodity prices, higher sales at Aluminium, Iron ore and Steel business, partially offset by lower sales at Zinc India, lower PLF at TSPL and rupee appreciation.

Revenue was up by 6% y-o-y, mainly on account of higher commodity prices, rupee depreciation and higher volumes at Zinc India and Iron Ore business, partially offset by lower volumes at Oil and Gas business, lower power sales in TSPL.

EBITDA and EBITDA Margins

EBITDA for Q3 FY2021 was at ₹ 7,695 crores, higher by 18% q-o-q, primarily due to higher commodity prices, higher sales at Aluminium, Iron ore, Steel business, partially offset by higher input commodity prices and rupee appreciation.

EBITDA for Q3 FY2021 was higher by 18% y-o-y, mainly on account of higher commodity prices, rupee depreciation and higher volumes at Zinc India and Iron Ore business, partially offset by one offs pertaining to past exploration cost recovery at Oil and Gas business in Q3 FY2020.

EBITDA margin¹ for Q3 FY2021 was at 39%.

Depreciation & Amortization

Depreciation and amortization for Q3 FY2021 stood at ₹ 1,912 crores, flat q-o-q.

It was lower 17% y-o-y, primarily due to impairment of assets in Oil & Gas business in Q4 FY2020, and Skorpion mine put under care and maintenance since April 2020.

Finance Cost and Investment Income

Finance cost for Q3 FY2021 was at ₹ 1,321 crore, flat q-o-q.

Finance cost was higher by 7% y-o-y, mainly on account of increase in gross borrowings and lower capitalisation of interest cost.

Investment Income was at ₹ 771 crore, higher by 24% q-o-q and 23% y-o-y. This was primarily on account of one-off incomes in Q3 FY2021 pertaining to interest on power debtors and tax refund.

Taxes

Tax charge for Q3 FY2021 stood at ₹ 1,186 cr (Q2 FY2021: Tax charge of ₹ 2,370 cr). The normalized ETR is 27% in Q3 FY2021 (excluding tax on dividend from Zinc India) compared to 29% in Q2 FY21 which is due to PBT mix within entities. Tax charge for Q3 FY2020 was ₹ 1,141 cr and ETR was 30%.

Attributable Profit after Tax and Earnings per Share (EPS)

Attributable Profit after Tax (PAT) for the quarter was ₹ 3,299 crore and Earnings per share for the quarter was at ₹ 8.91 per share.

Balance Sheet

We have cash and cash equivalents of ₹ 27,055 crore. The Company invests in high quality debt instruments as per the Board approved policy. The portfolio is rated by CRISIL, which has assigned a rating of “Tier-I” (implying Highest Safety) to our portfolio.

Gross debt was at ₹ 62,412 crore on 31st December 2020, higher by ₹ 3,225 crore as compared to 31st March 2020, majorly on account of temporary borrowing at Zinc India.

Net debt was at ₹ 35,357 crore on 31st December 2020, higher by ₹ 14,084 crores as compared to 31st March 2020, on account of dividend payment and intercompany loan to VRL, offset by positive cash flow.

CRISIL rating at AA- with stable outlook

India ratings AA- with negative outlook

- Lanjigarh production 1,345 kt, up 1% y-o-y
- Lanjigarh COP at \$ 230/t, down 18% y-o-y

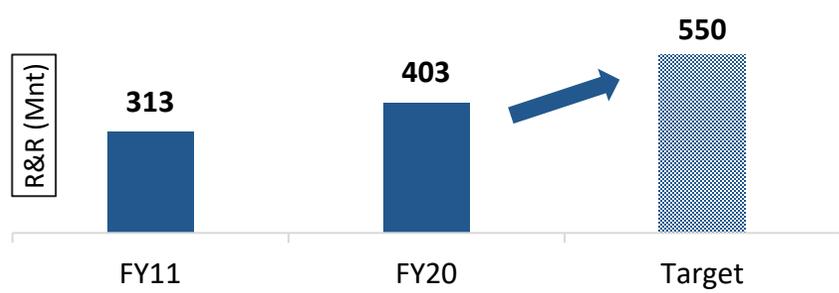

Sustained production post-transition to fully UG mining company

- Optimize Operations:** 50 kms development target. Reduction in waste dilution factor and achieving benchmark recovery
- Faster stope turnaround:** Maximum use of tailings as back-filling material for faster development of stopes
- Shaft driven haulage:** RA and SK Shaft stabilization ongoing for hauling from lower blocks possible. RD Shaft upgradation ongoing

Active Program For Addition To R&R In Sync With Higher Production Going Forward

- Upgrading galena zone at Rampura Agucha
- Exploring a new ore body below shaft at Sindesar Khurd
- Establishing new lenses at Zawar

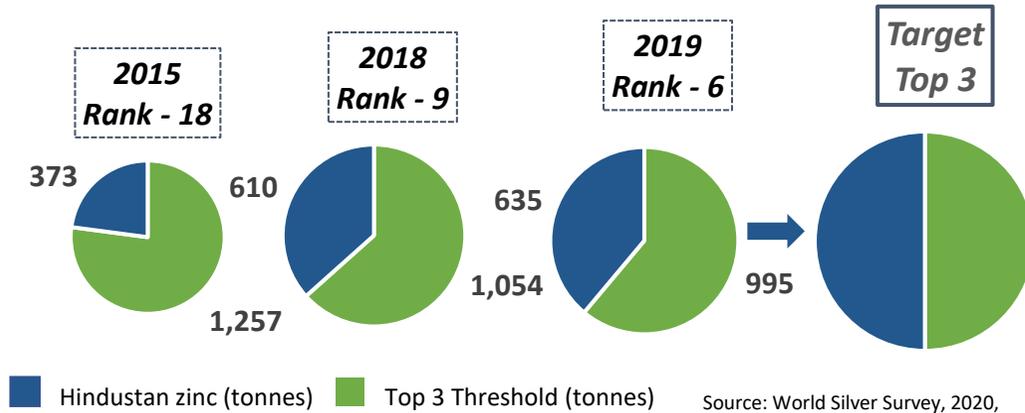

Volume Leverage And Efficiencies To Maintain First Decile COP

Key structural initiatives on:

- Digital transformation
- Minor metal extraction
- Ore to metal ratio to 90%
- Operational efficiencies via shaft, paste fill, etc.
- Energy basket optimisation

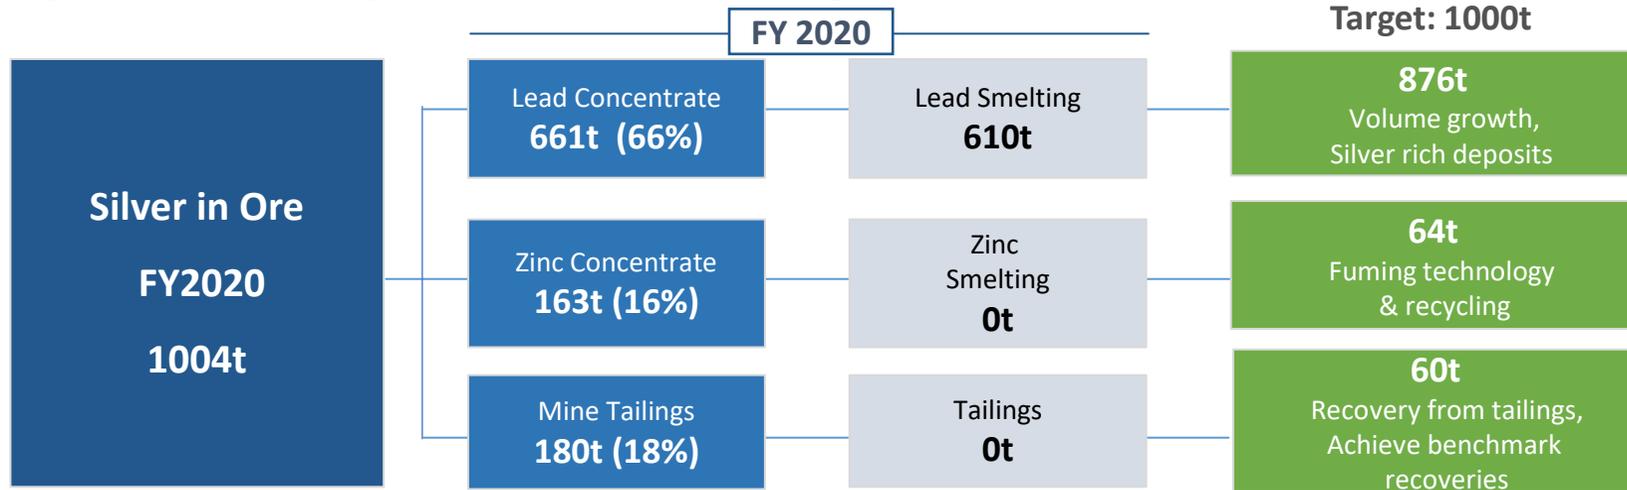

Maintaining our position globally as a leading silver producer
