STATEMENT UNDER SECTION 230 READ WITH SECTION 102 AND OTHER APPLICABLE PROVISIONS OF THE COMPANIES ACT, 2013 ("ACT") AND RULE 6 OF THE COMPANIES (COMPROMISES, ARRANGEMENTS AND AMALGAMATIONS) RULES, 2016 ("CAA RULES") TO THE NOTICE OF THE MEETING OF EQUITY SHAREHOLDERS OF VEDANTA LIMITED CONVENED PURSUANT TO ORDER OF THE HON'BLE NATIONAL COMPANY LAW TRIBUNAL, MUMBAI BENCH ("TRIBUNAL") DATED AUGUST 26, 2022 ("TRIBUNAL ORDER")

I. Meeting for the Scheme

This is a Statement accompanying the Notice convening the meeting of equity shareholders of Vedanta Limited ("**Company**") for the purpose of their considering and if thought fit, approving, with or without modification(s), the proposed Scheme of Arrangement between Vedanta Limited and its shareholders ("**Scheme**"). The Scheme provides for capital reorganization of the Company (as defined hereinafter), *inter alia*, providing for transfer of amounts standing to the credit of the General Reserves (*as defined in the Scheme*) to the Retained Earnings (*as defined in the Scheme*) of the Company, pursuant to the provisions of Section 230 and other applicable provisions of the Act (*as defined in the Scheme*). The Scheme also provides for various other matters consequential thereto or otherwise. A copy of the Scheme is attached hereto as **Annexure I**.

Capital terms not defined herein and used in the Notice and this Statement shall have the same meaning as ascribed to them in the Scheme.

II. Purpose, Objective, Rationale and Benefits of the Scheme

1. From the date of notification of provisions of the Act, the mandatory requirement to transfer funds from the profits/ retained earnings of a company to its general reserves was done away with. Further, creation of general reserves in accordance with the erstwhile provisions of the Companies Act, 1956 was also done away with. Currently, there is no provision under the Act which enables or restricts the transfer of funds lying in the general reserves of a company to its retained earnings.
2. Further, the funds lying in general reserves of the Company have been accumulated over past few years, after transfer of profits earned by the Company. Accordingly, in absence of any specific provisions/ guidance under the Act, in the past the various High Courts and the

National Company Law Tribunal have permitted companies to undertake such a transfer through a scheme of arrangement pursuant to provisions of Section 230 of the Act.

3. The circumstances which justify and/or have necessitated the said Scheme and the benefits of the same are, *inter alia*, as follows:
 1. *“Over the years, the Company has built up significant reserves through transfer of profits to the reserves in accordance with provisions of the erstwhile Companies Act, 1956 and erstwhile rules notified thereunder, namely, the Companies (Transfer of Profits to Reserves) Rules, 1975.*
 2. *Steady growth in sales volume, balanced capital expenditure for continuing operations has helped the Company achieve a strong track record of generating cash flows. With healthy business practices in place, the Company expects that it will continue its growth trajectory and its business operations will keep generating incremental cash flow over the coming years.*
 3. *The Company is of the view that the funds represented by the General Reserves are in excess of the Company's anticipated operational and business needs in the foreseeable future, thus, these excess funds can be utilized to create further shareholders' value, in such manner and to such extent, as the Board of the Company in its sole discretion, may decide, from time to time and in accordance with the provisions of the Act and other Applicable Law.*
 4. *The Scheme is in the interest of all stakeholders of the Company.”*
4. In view of the aforesaid and in the interest of following good corporate governance practices, the Company has proposed the Scheme.

Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities as mentioned in Annexure I
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 and 9 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

6. We draw attention to note 5 of the accompanying consolidated financial results which describes the uncertainty arising out of the demands that have been raised on the Group, with respect to government's share of profit petroleum by the Director General of Hydrocarbons and one of the pre-conditions for the extension of the Production Sharing Contract (PSC) for the Rajasthan oil block is the settlement of these demands. While the Government has granted permission to the Group to continue operations in the block till August 14, 2022 or signing of the PSC addendum, whichever is earlier, the Group, based on external legal advice, believes it is in compliance with the necessary conditions to secure an extension of this PSC and that the demands are untenable and hence no provision is required in respect of these demands. Our conclusion is not modified in respect of this matter.

8. Certain of these subsidiaries and associates are located outside India whose financial results and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted the financial results of such subsidiaries and associates located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Company's management. Our conclusion in so far as it relates to the balances and affairs of such subsidiaries and associates located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Company and reviewed by us.

The unaudited interim financial results and other unaudited financial information of these have been approved and furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the affairs of these subsidiaries, joint ventures, joint operation and associates, is based solely on such unaudited interim financial results and other unaudited financial information. According to the information and explanations given to us by the Management, these interim financial results are not material to the Group.

Our conclusion on the Statement in respect of matters stated in para 7, 8 and 9 above is not modified with respect to our reliance on the work done and the reports of the other auditors and the financial results certified by the Management.

- 5 The Company operates an oil and gas production facility in Rajasthan under a Production Sharing Contract ("PSC"). The management is of the opinion that the Company is eligible for extension of the PSC for Rajasthan ("RJ") block on same terms w.e.f. 15 May 2020, a matter which was being adjudicated at the Delhi High Court. The Division Bench of the Delhi High Court in March 2021 set aside the single judge order of May 2018 which allowed extension of PSC on same terms and conditions. The Company has appealed this order in the Supreme Court. In parallel, the Government of India ("GoI"), accorded its approval for extension of the PSC, under the Pre-NELP Extension policy as per notification dated 07 April 2017 ("Pre-NELP Policy"), for RJ block by a period of 10 years, w.e.f. 15 May 2020 vide its letter dated 26 October 2018, subject to fulfilment of certain conditions.

One of the conditions for extension relates to notification of certain audit exceptions raised for FY 2016-17 as per PSC provisions and provides for payment of amounts, if such audit exceptions result into any creation of liability. In connection with the said audit exceptions, a demand of ₹ 2,870 Crore (US\$ 364 million) has been raised by Directorate General of Hydrocarbons ("DGH") on 12 May 2020, relating to the share of the Company and one of its subsidiaries. This amount was subsequently revised to ₹ 3,613 Crore (US\$ 458 million) till March 2018 vide DGH letter dated 24 December 2020.

On 28 April 2022, DGH has notified audit exceptions for the period upto 14 May 2020 and included an additional amount of ₹ 2,038 Crore (US\$ 259 million) for aforementioned matters.

The Company has disputed the aforesaid demand and the other audit exceptions, notified till date, as in the Company's view the audit notings are not in accordance with the PSC and are entirely unsustainable. Further, as per PSC provisions, disputed notings do not prevail and accordingly do not result in creation of any liability. The Company believes it has reasonable grounds to defend itself which are supported by independent legal opinions. In accordance with PSC terms, the Company has also commenced arbitration proceedings. The arbitration tribunal ("the Tribunal") stands constituted and the Company also filed its application for interim relief. The interim relief application was heard by the Tribunal on 15 December 2020 wherein it was directed that GoI should not take any coercive action to recover the disputed amount of audit exceptions which is presently in arbitration and that during the arbitration period, GoI should continue to extend the tenure of the Rajasthan Block PSC on terms of current extension. The GoI has challenged the said order before the Delhi High Court which is scheduled for hearing in due course.

Further, on 23 September 2020, the GoI had filed an application for interim relief before Delhi High Court seeking payment of all disputed dues. This matter is also scheduled for hearing in due course. In view of extenuating circumstances surrounding COVID-19 and pending signing of the PSC addendum for extension after complying with all stipulated conditions, the GoI has been granting permission to the Company to continue Petroleum operations in the RJ block. The latest permission is valid upto 14 August 2022 or signing of the PSC addendum, whichever is earlier. For reasons aforesaid, the Company is not expecting any material liability to devolve on account of these matters or any disruptions in its petroleum operations. The Company is also pursuing with the GoI for executing the RJ PSC addendum at the earliest.

- 6 In our oil and gas business, the GoI, vide its notification no. 05/2022 dated 30 June 2022 had levied Special Additional Excise Duty ("SAED") of ₹ 23,250 per tonne (approximately equivalent to US\$ 40/ barrel) on crude oil with effect from 01 July 2022, which has been revised to ₹ 17,000 per tonne (approximately equivalent to US\$ 30/ barrel) with effect from 20 July 2022. The SAED rate is expected to be revised every fortnight. This is in the nature of cess on windfall gain triggered by increase in crude oil prices in recent months.

The Company is engaging with the GoI on this levy, within the framework of contractual agreements of PSC and Revenue Sharing Contracts ("RSC") executed with the GoI.

The Company has performed sensitivity analysis to assess the impact of the above SAED on the recoverable value of assets in the oil and gas business, which is determined basis the consensus of analyst recommendations of long-term prices, discount rates, production quantity etc. Based on the results of such analysis, Management believes that no adjustment to the carrying value of the asset is required at this stage.

- 7 The Company has a copper smelter plant in Tuticorin. The Company's application for renewal of Consent to Operate ("CTO") for the plant was rejected by the Tamil Nadu Pollution Control Board ("TNPCB") in April 2018. Subsequently, the Government of Tamil Nadu issued directions to close and seal the existing copper smelter plant permanently. The Principal Bench of National Green Tribunal ("NGT") ruled in favour of the Company but its order was set aside by the Supreme Court vide its judgment dated 18 February 2019, on the sole basis of maintainability. The Company had filed a writ petition before the Madras High Court challenging various orders passed against the Company. On 18 August 2020, the Madras High Court dismissed the writ petitions filed by the Company, which has been challenged by the Company in the Supreme Court while also seeking interim relief to access the plant for care and maintenance. The hearing on care and maintenance could not be listed at the Supreme Court. Instead, the matter is now being heard on merits.

The Company was also in the process of expanding its capacities at an adjacent site ("Expansion Project"). The High Court of Madras, in a Public Interest Litigation, held that the application for renewal of the Environmental Clearance ("EC") for the Expansion Project shall be processed after a mandatory public hearing and in the interim, ordered the Company to cease construction and all other activities on the site with immediate effect. In the meanwhile, State Industries Promotion Corporation of Tamil Nadu ("SIPCOT") cancelled the land allotted for the Expansion Project, which was later stayed by the Madras High Court. Further, TNPCB issued an order directing the withdrawal of the Consent to Establish ("CTE") which was valid till 31 March 2023. The Company has also appealed this action before the TNPCB Appellate Authority and the matter is pending for adjudication and the matter is now being heard on merits. As per the Company's assessment, it is in compliance with the applicable regulations and hence there is no impact on the carrying value of the assets.

8 Subsequent to the quarter ended 30 June 2022, the Company acquired controlling stake in Athena Chhattisgarh Power Limited ("ACPL") under the liquidation proceedings of the Insolvency and Bankruptcy Code, 2016 for a consideration of ₹ 565 Crore. ACPL is building a 1,200 MW (600 MW X 2) coal-based power plant located at Jhanjgir Champa district, Chhattisgarh. The plant is expected to fulfill the power requirements for the Company's aluminium business.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**Review Report to
The Board of Directors
Vedanta Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Vedanta Limited (the "Company") for the quarter ended June 30, 2022 and year to date from April 1, 2022 to June 30, 2022 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

5. We draw attention to note 6 of the accompanying standalone financial results which describes the uncertainty arising out of the demands that have been raised on the Company, with respect to government's share of profit oil by the Director General of Hydrocarbons and one of the pre-conditions for the extension of the Production Sharing Contract (PSC) for the Rajasthan oil block is the settlement of these demands. While the Government has granted permission to the Company to continue operations in the block till August 14, 2022 or signing of the PSC addendum, whichever is earlier, the Company, based on external legal advice, believes it is in compliance with the necessary conditions to secure an extension of this PSC and that the demands are untenable and hence no provision is required in respect of these demands. Our conclusion is not modified in respect of this matter.

Other Matter

6. We did not audit the financial results and other financial information in respect of an unincorporated joint operation not operated by the Company, whose interim financial results include Company's share of revenue of Rs 33 crores, Company's share of net profit of Rs. 16 crores and Company's share of total comprehensive income of Rs. 16 crores for the quarter ended June 30, 2022 and for the period from April 01, 2022 to June 30, 2022. The interim financial results and other financial information of the said unincorporated joint operation not operated by the Company have not been audited and such unaudited interim financial results and other unaudited financial information have been furnished to us by the management and our report on the unaudited standalone financial results of the Company, in so far as it relates to the amounts and disclosures included in respect of the said unincorporated joint operation, is based solely on such unaudited information furnished to us by the management. In our opinion and according to the information and explanations given to us by the Management, these interim financial results and other financial information of joint operation, is not material to the Company. Our conclusion on the Statement is not modified in respect of this matter.

In parallel, the Government of India ("GoI"), accorded its approval for extension of the PSC, under the Pre-NELP Extension policy as per notification dated 07 April 2017 ("Pre-NELP Policy"), for RJ block by a period of 10 years, w.e.f. 15 May 2020 vide its letter dated 26 October 2018, subject to fulfilment of certain conditions. One of the conditions for extension relates to notification of certain audit exceptions raised for FY 2016-17 as per PSC provisions and provides for payment of amounts, if such audit exceptions result into any creation of liability. In connection with the said audit exceptions, a demand of ₹ 2,870 Crore (US\$ 364 million) has been raised by Directorate General of Hydrocarbons ("DGH") on 12 May 2020, relating to the share of the Company and one of its subsidiaries. This amount was subsequently revised to ₹ 3,613 Crore (US\$ 458 million) till March 2018 vide DGH letter dated 24 December 2020. On 28 April 2022, DGH has notified audit exceptions for the period upto 14 May 2020 and included an additional amount of ₹ 2,038 Crore (US\$ 259 million) for aforementioned matters.

The Company has disputed the aforesaid demand and the other audit exceptions, notified till date, as in the Company's view the audit notings are not in accordance with the PSC and are entirely unsustainable. Further, as per PSC provisions, disputed notings do not prevail and accordingly do not result in creation of any liability. The Company believes it has reasonable grounds to defend itself which are supported by independent legal opinions. In accordance with PSC terms, the Company has also commenced arbitration proceedings. The arbitration tribunal ("the Tribunal") stands constituted and the Company also filed its application for interim relief. The interim relief application was heard by the Tribunal on 15 December 2020 wherein it was directed that GoI should not take any coercive action to recover the disputed amount of audit exceptions which is presently in arbitration and that during the arbitration period, GoI should continue to extend the tenure of the Rajasthan Block PSC on terms of current extension. The GoI has challenged the said order before the Delhi High Court which is scheduled for hearing in due course. Further, on 23 September 2020, the GoI had filed an application for interim relief before Delhi High Court seeking payment of all disputed dues. This matter is also scheduled for hearing in due course.

In view of extenuating circumstances surrounding COVID-19 and pending signing of the PSC addendum for extension after complying with all stipulated conditions, the GoI has been granting permission to the Company to continue Petroleum operations in the RJ block. The latest permission is valid upto 14 August 2022 or signing of the PSC addendum, whichever is earlier. For reasons aforesaid, the Company is not expecting any material liability to devolve on account of these matters or any disruptions in its petroleum operations. The Company is also pursuing with the GoI for executing the RJ PSC addendum at the earliest.

- 7 In our oil and gas business, the GoI, vide its notification no. 05/2022 dated 30 June 2022 had levied Special Additional Excise Duty ("SAED") of ₹ 23,250 per tonne (approximately equivalent to US\$ 40/ barrel) on crude oil with effect from 01 July 2022, which has been revised to ₹ 17,000 per tonne (approximately equivalent to US\$ 30/ barrel) with effect from 20 July 2022. The SAED rate is expected to be revised every fortnight. This is in the nature of cess on windfall gain triggered by increase in crude oil prices in recent months.

The Company is engaging with the GoI on this levy, within the framework of contractual agreements of PSC and Revenue Sharing Contracts ("RSC") executed with the GoI.

The Company has performed sensitivity analysis to assess the impact of the above SAED on the recoverable value of assets in the oil and gas business, which is determined basis the consensus of analyst recommendations of long-term prices, discount rates, production quantity etc. Based on the results of such analysis, Management believes that no adjustment to the carrying value of the asset is required at this stage.

- 8 Subsequent to the quarter ended 30 June 2022, the Company acquired controlling stake in Athena Chhattisgarh Power Limited ("ACPL") under the liquidation proceedings of the Insolvency and Bankruptcy Code, 2016 for a consideration of ₹ 565 Crore. ACPL is building a 1,200 MW (600 MW X 2) coal-based power plant located at Jhanjgir Champa district, Chhattisgarh. The plant is expected to fulfill the power requirements for the Company's aluminium business.

- 9 Other income includes dividend income from subsidiaries of ₹ Nil Crore, ₹ 1,062 Crore, ₹ 1,316 Crore and ₹ 7,828 Crore for the quarter ended 30 June 2022, 31 March 2022, 30 June 2021 and year ended 31 March 2022 respectively.

ANNEXURE VII

Details of ongoing adjudication & recovery proceedings, prosecution initiated and all other enforcement action taken against Vedanta Limited, its promoters and directors

- Proceedings against the GoI which has disputed our exercise of the call option to purchase its remaining ownership interest in BALCO

There are certain proceedings that are currently ongoing with respect to the exercise of a call option to acquire the remaining shares of BALCO held by the GoI, in accordance with the terms of the shareholders' agreement between the GoI and us. The amount claimed under this proceeding is presently unquantifiable. The arbitral tribunal formed under the directions of the High Court of Delhi pronounced an award on January 22, 2011. The award held certain clauses of the shareholders' agreement to be void, ineffective and inoperative as being in violation of sub-section (2) of Section 111A of the erstwhile Companies Act, 1956. We filed an application before the High Court of Delhi to set aside this award under Section 34 of the Arbitration and Conciliation Act, 1996.

- Proceedings by the GoI which has disputed our exercise of the call option to purchase its remaining ownership interest in HZL

Under the terms of the shareholders' agreement between the GoI and Vedanta Limited, Vedanta Limited was granted two call options to acquire all the shares in HZL held by the GoI at the time of exercise. Vedanta Limited exercised the first call option on August 29, 2003. Arbitration is ongoing in relation to a dispute between the GoI and Vedanta Limited, with respect to Vedanta Limited's exercise of its second call option to acquire the remaining shares in HZL held by the GoI, pursuant to the shareholders' agreement between the parties. The GoI has refused to act upon the second call option, stating that Vedanta Limited's second call option violates the provisions of the Indian Companies Act, 1956, by restricting the right of the GoI to transfer its shares. As on date, the next date of hearing by the arbitral tribunal has not been determined.

Separately, a writ petition was filed in March 2014 in the Supreme Court of India by the National Confederation of Officers Association questioning the decision of GoI to divest its 29.54% residual shareholding in HZL. The Supreme Court of India on January 19, 2016 ordered the status quo to be maintained with respect to the proposed disinvestment of the government's interest in HZL until further orders are passed by the Supreme Court of India. On January 9, 2020, Vedanta Limited filed an early hearing application to the Supreme Court of India. On August 13, 2020, the Supreme Court passed an order partially removing the status quo order in place and has allowed the arbitration proceedings to continue.

The matter was heard before the Supreme Court on October 27, 2021, and the final order was passed on November 18, 2021. The Supreme Court of India allowed the GoI's proposal to divest its entire stake in HZL in the open market in accordance with the rules and regulations of SEBI. The Supreme Court of India also directed the Central Bureau of India to register a regular case in relation to the process followed for the disinvestment of HZL in the year 2002 by the GoI.

Due to the abovementioned Supreme Court of India order, Vedanta Limited has filed an application for the withdrawal of its arbitration claim for the second call option. Final order allowing for the withdrawal of arbitration matter has been passed.

- Legal proceedings related to mining operations in the State of Goa

Pursuant to findings in the Justice M.B. Shah Commission Report dated March 15, 2012 on the allegations of illegal mining in the State of Goa, the state government banned iron ore mining operations in Goa on September 10, 2012 and the MoEF & CC suspended environmental clearances of all mining leases within the State of Goa. A writ petition was filed before the Supreme Court of India to initiate action based on the Justice M.B. Shah Commission Report and an interim order was passed by the Supreme Court of India on October 5, 2012 suspending mining operations within Goa.

The Supreme Court of India passed an interim order on November 11, 2013 directing that the Directorate of Mines and Geology verify the inventory of the excavated mineral ores and the Monitoring Committee be constituted to sell the materials through an e-auction and proceeds from the auction to be deposited with the state government. The auction of inventorized ore is yet to be completed.

On April 21, 2014, the Supreme Court passed judgment in the matter lifting the ban with certain stipulations, including directions on mining by the lessees after November 22, 2007 as being illegal, and dumping outside the

leased area as being impermissible. The Supreme Court also ordered that an interim buffer zone be fixed at one kilometer from the boundaries of National Parks and Sanctuaries, set an ad-hoc cap on annual excavation at 20 million tons other than from dumps until such time as the final report of Expert Committee on Iron ore is submitted, and also ordered the appropriation of the sale value of e-auctioned inventorized ores by the state government as per stipulated conditions, and the payment of 10.0% of the sale proceeds to the Goa Iron Ore Permanent Fund. The Supreme Court has held that all mining leases in the State of Goa, including those of the Company, had expired in 2007 and consequently, no mining operations can be carried out until renewal/execution of mining lease deeds by the state government. The petition filed by us in May 2014 for the review of the aforesaid judgment in the Supreme Court of India on certain limited issues was subsequently withdrawn by us in September 2014.

On August 13, 2014, the High Court of Bombay, Goa Bench passed a common order directing the State of Goa to renew the mining leases for which stamp duty was collected in accordance with the Goa Mineral Policy (2013) and to decide the other applications for which no stamp duty was collected within three months thereof.

On January 15, 2015, the government of Goa revoked the order suspending mining operations in the State of Goa and MoEF & CC has revoked suspension of environmental clearances in March 2015. Subsequently, the lease deeds for all working leases were executed and registered as of August 2015. We obtained the CTO under the Air (Prevention of Pollution) Act and Water (Prevention of Pollution) Act from the Goa State Pollution Control Board and mining plan approval from the Indian Bureau of Mines for these leases, and the Company resumed operations of its mines on August 10, 2015.

On September 10, 2014, the Goa Foundation challenged the High Court order directing the renewal of mining by way of a SLP before the Supreme Court of India, challenging the judgment of the High Court dated August 13, 2014 directing renewal of mining leases. Another set of SLPs on an identical issue were filed by a local activist. Two writ petitions have also been filed before Supreme Court by Goa Foundation and Sudip Tamankar in September 2015 for setting aside the second renewal of iron ore mining leases in Goa made under section 8 (3) of Mines and Minerals (Development and Regulation) “(MMDR)” Act and challenging the revocation of suspension on mining in State of Goa. The Supreme Court passed its final order in the matter on February 7, 2018 wherein it set aside the second renewal of the mining leases granted by the State of Goa. The Supreme Court directed all lease holders operating under a second renewal to stop all mining operations with effect from March 16, 2018 until fresh mining leases (not fresh renewals or other renewals) and fresh environmental clearances are granted under the MMDR Act. The State Government of Goa and company have filed a review petition against the said judgment dated February 7, 2018. The review petition has been heard in chambers. The review petition was disposed off by order dated July 9, 2021

Subsequent to the aforesaid judgement, Vedanta Limited filed a representation before the state government seeking an extension on the validity of leases in consonance with provisions of MMDR Amendment Act which provided that all leases granted prior to the commencement of MMDR Amendment Act were deemed to be granted for a tenure of fifty (50) years. The state government did not consider the representation citing the Supreme Court judgment in place in respect of the issue. Vedanta Limited challenged state government's stand before the High Court of Bombay at Goa by way of a writ petition which was also rejected on the earlier Supreme Court order. Company has now challenged the order of High Court before the Supreme Court, in which notice has been issued to parties and the State Government has filed a supportive affidavit. The SC has also allowed the impleadment of Goa Foundation and Sudip Tamankar and they have filed their replies. The matter was taken up for hearing and the same was disposed of by order dated September 7, 2021. A review petition against the SLP order has been dismissed by the Supreme Court by order dated March 30, 2022. Separately, the Expert Committee on Iron ore has filed their reports on dump handling and ceiling on annual extractions before the Supreme Court recommending the immediate enhancement of the annual extraction ceiling to 30 million MT, and subsequently to 37 million MT after the development of infrastructure. The Expert Committee on Iron ore's report is yet to be accepted and the matter is pending before the Supreme Court.

– ***Certain prosecution proceedings brought by SEBI against us, Mr. Anil Agarwal and Mr. Tarun Jain***

In April 2001, SEBI ordered that prosecution proceedings be brought against us, alleging that we have violated the regulations prohibiting fraudulent and unfair trading practices and it also passed an order prohibiting us from accessing the capital markets for a period of two years. This SEBI order was overruled by the SEBI Appellate Tribunal on October 22, 2001 on the basis of lack of sufficient material evidence to establish that we had,

directly or indirectly, engaged in market manipulation and that SEBI had exercised its jurisdiction incorrectly in prohibiting us from accessing the capital markets. On November 9, 2001, SEBI appealed to the High Court of Bombay. The next date of hearing has not yet been fixed. In addition to the prosecution proceedings, SEBI also initiated criminal proceedings in 2001 before the Court of the Metropolitan Magistrate, Mumbai, against us, Mr. Anil Agarwal and Mr. Tarun Jain (who was the Chief Financial Officer of MALCO at the time of the alleged price manipulation). The matter is tentatively listed in due course. When SEBI's order was overruled on October 22, 2001, we filed a petition before the High Court of Bombay to stay those criminal proceedings on the grounds that the SEBI Appellate Tribunal had overruled SEBI's order on price manipulation. An order was passed by the High Court of Bombay in our favor on December 2, 2005, granting an interim stay of the criminal proceedings.

– ***Penalties levied by the Enforcement Directorate on certain of our directors and us***

On August 3, 2004, the Enforcement Directorate levied penalties on certain of our directors and us aggregating to ₹ 347 million (\$ 4 million). It was alleged that we transferred an amount of ₹ 2,080 million (\$ 28.44 million) to Twinstar Holdings Limited and invested in Sterlite and MALCO through Twinstar Holdings Limited without the permission of the RBI. We have submitted that Twinstar Holdings Limited obtained the required approvals from the Foreign Investment Promotion Board ("FIPB") for the investment. We appealed to the appellate tribunal against the Enforcement Directorate's order for foreign exchange seeking a waiver of the pre-deposit amount, which was equal to 100.0% of the penalty levied, which appeal was allowed by the tribunal. The Enforcement Directorate appealed against this decision of the tribunal to the High Court of Delhi, which referred the matter back to the tribunal to consider the issue afresh. The Appellate Tribunal on August 06, 2019 passed a favorable order directing a stay on the pre-deposit amount. The matter will be heard on merits in due course.

– ***Criminal proceedings against former directors of Sesa Industries Limited***

Ms. Krishna Bajaj filed a complaint against the former directors of Sesa Industries Limited (which has since been amalgamated with Sesa Goa) before the Magistrate at Mumbai in 2000, in relation to shares issued on a preferential basis by Sesa Industries Limited in 1993 to Sesa Goa's shareholders, alleging that the shares of Sesa Industries Limited were not listed within 12 to 18 months of the offer as stated in the offering document. The four directors appeared before the court on June 16, 2009 and pleaded not guilty to the charges. The four directors filed a criminal application in the High Court of Bombay challenging the Magistrate's order of framing charges before the High Court of Bombay. The High Court of Bombay admitted the criminal application and stayed the proceedings pending before Magistrate at Mumbai.

– ***Writ petitions filed against us alleging violation of certain air, water and hazardous waste management regulations at our Tuticorin plant***

Various writ petitions were filed before the High Court of Madras alleging that sulphur dioxide emissions from our copper smelting operations at Tuticorin were causing air and water pollution and hazardous waste and sought a cancellation of our permits and environmental approval to operate our smelter.

A writ petition was filed in December 2009 before the High Court of Madras challenging the grant of environmental clearance for the expansion of our copper smelter at Tuticorin, however no order or direction for injunction was granted. By way of its order dated April 28, 2016, the High Court of Madras dismissed the petition and rejected the claims of the petitioner.

Separately, in March 2013, the TNPCB ordered the closure of the copper smelter at Tuticorin due to complaints regarding a noxious gas leak by local residents. On April 1, 2013, we filed a petition with the NGT challenging the order of the TNPCB on the basis that the plant's emissions were within permissible limits. The NGT passed an interim order on May 31, 2013 allowing the smelter to recommence operations subject to certain conditions, and consequently we recommenced operations on June 16, 2013. The expert committee constituted by the NGT submitted a report on the operation of the plant on July 10, 2013 stating that the plant's emissions were within the prescribed standards. Based on this report, the NGT ordered on July 15, 2013 that the smelter could recommence its operations. On August 8, 2013, the NGT confirmed its May 31, 2013 order and held that there was no health impact owing to the operations with directions to comply with the recommendations made by the committee to further improve the working of the plant within a time bound schedule. We implemented all the recommendations during fiscal year 2013. However, the TNPCB filed a Civil Appeals in 2013 against the NGT's interim order dated May 31, 2013 and the final order dated August 8, 2013. V Gopalaswamy, the General

Secretary of a political party, MDMK, also filed civil appeals in 2013.

These appeals have been allowed by the Supreme Court and the NGT judgment dated August 8, 2013 has been set aside on grounds of maintainability. However, the Supreme Court has given the Company, liberty to approach the High Court of Madras challenging the orders of TNPCB. We have now approached the High Court of Madras, Principal Bench challenging the impugned orders of TNPCB passed in 2013. The High Court vide its judgement dated August 18, 2020 dismissed the writ petition filed by the Company. The Company approached the Supreme Court and challenged the said High Court order by way of a SLP to Appeal. The SLP was admitted on August 31, 2020 wherein the court had directed the parties to file their counters and rejoinders if any. Subsequent to the same, the counter affidavits and the rejoinders were filed by the parties and the matter was listed on November 16, 2020 wherein Vedanta Limited had informed the court for a need to look at a workable approach and an option to resume the plant operations (at least on a trial basis so that allegations of pollution could be checked). Pursuant to the same an Interlocutory Application was filed by Vedanta Limited. The Matter was then listed on December 02, 2020 before Supreme Court. The Supreme Court after having heard both the sides concluded that at this stage the interim relief in terms of trial run could not be allowed. Further, considering the voluminous nature of documents and pleadings, the matter shall be finally heard on merits. The State of Tamil Nadu and TNPCB had filed a SLP as well, but on the limited point of expunging of certain paragraphs in the Madras High Court judgement, wherein adverse remarks were made against the State Government officials and TNPCB officials. The SLP of the State of Tamil Nadu and TNPCB has been clubbed with our main SLP matter. The case was listed and heard on March 15, 2022 and was part heard. The matter was to be further listed on March 22, 2022, however, due the reconstitution of the bench, the case was not listed. The Supreme Court has indicated that the matter may be taken up in second half of July 2022 along with an interlocutory application that was filed by Vedanta Limited before the Supreme Court for the maintenance of status quo as on March 15, 2022 consequent to an order passed by the Collector of Tuticorin requiring Vedanta Limited employees to vacate the plant premises.

– ***Proceedings related to the existing copper smelting operations and the proposed expansion project at the Tuticorin plant***

The CTO for our existing 400,000 TPA copper smelter plant at Tuticorin which was due to expire on March 31, 2018. We filed an application dated January 31, 2018, before the TNPCB for renewal of consent to operate, as per procedure established by law. The TNPCB rejected the said renewal application by its order dated April 9, 2018 (Rejection Order). The Company had filed an appeal before the TNPCB Appellate Authority challenging the Rejection Order, which the Company withdrew after the NGT Order dated December 15, 2018 on account of redundancy of proceedings before the TNPCB Appellate Authority.

During the pendency of the aforesaid appeal, TNPCB through its order dated May 23, 2018, ordered the disconnection of electricity supply and closure of the existing copper smelter plant with immediate effect. TNPCB passed the said closure order without any prior notice to us, which was due to be served as per the requirements under Section 21(4) of the Air (Prevention and Control of Pollution) Act, 1981 and Rule 34 of the Water (Prevention and Control of Pollution) Rules 1975. Thereafter, the Government of Tamil Nadu, proclaiming and endorsing TNPCB's Rejection Order, issued orders dated May 28, 2018, with a direction to seal the existing copper smelter plant unit permanently ("TN Government Order"), without providing any prior notice to us. The Company filed an appeal before NGT, Principal Bench at New Delhi challenging the closure order passed by TNPCB as well as the TN Government Order for sealing of the existing plant and the appeal was allowed vide NGT's judgement dated December 15, 2018. The NGT judgment was challenged before the Madurai Bench of the High Court of Madras (by a writ petition filed by an intervenor, Fathima Babu), which ordered to maintain status quo regarding the closure of the plant at Tuticorin until the State decided on filing of the appeal. The Company challenged the order of the High Court before the Supreme Court. Meanwhile, the State also approached the Supreme Court against the final orders of the NGT ordering the reopening of the plant at Tuticorin.

The Supreme Court on February 18, 2019 set aside the NGT judgment dated December 15, 2018 on the grounds of maintainability, allowing Vedanta Limited the liberty to approach the High Court of Madras to challenge all the orders collectively, stating that no plea of alternative remedy shall be allowed.

Based on the said order, Vedanta Limited has filed a writ petition before the Principal Bench of the High Court of Madras and has additionally filed an application seeking interim relief for care and maintenance of the plant. The High Court vide its judgement dated August 18, 2020 dismissed the writ petition filed by the Company. The Company approached the Supreme Court and challenged the said High Court order by way of a SLP to

Appeal. The SLP was admitted on August 31, 2020 wherein the court had directed the parties to file their counters and rejoinders if any. Subsequent to the same, the counter affidavits and the rejoinders were filed by the parties and the matter was listed on November 16, 2020 wherein Vedanta Limited had informed the court for a need to look at a workable approach and an option to resume the plant operations (at least on a trial basis so that allegations of pollution could be checked). Pursuant to the same an Interlocutory Application was filed by Vedanta Limited. The Matter was then listed on December 02, 2020 before Supreme Court. The Supreme Court after having heard both the sides concluded that at this stage the interim relief in terms of trial run could not be allowed. Further, considering the voluminous nature of documents and pleadings, the matter shall be finally heard on merits. . The State of Tamil Nadu and TNPCB had filed a SLP as well, but on the limited point of expunging of certain paragraphs in the Madras High Court judgement, wherein adverse remarks were made against the State Government officials and TNPCB officials. The SLP of the State of Tamil Nadu and TNPCB has been clubbed with our main SLP matter. The case was listed and heard on March 15, 2022 and was part heard. The matter was to be further listed on March 22, 2022, however, due to the reconstitution of the bench, the case was not listed. The Supreme Court has indicated that the matter may be taken up in second half of July 2022 along with an interlocutory application that was filed by Vedanta Limited before the Supreme Court for the maintenance of status quo as on March 15, 2022 consequent to an order passed by the Collector of Tuticorin requiring Vedanta Limited employees to vacate the plant premises.

Separately, our environmental clearance for the proposed copper smelter plant 2 (expansion project) expired on December 31, 2018. Our application for renewal of such environmental clearance was rejected by the MoEF & CC. Thereafter, we made a new application dated March 12, 2018, before the Expert Appraisal Committee of the MoEF & CC wherein a sub-committee was directed to visit the expansion project site prior to prescribing the terms of reference.

In the meantime, the Madurai Bench of the High Court of Madras in a public interest litigation filed against us by the MoEF & CC and State Industries Promotion Corporation of Tamil Nadu (“SIPCOT”) held through its order dated May 23, 2018, that the application for renewal of the environmental clearance for the expansion project shall be processed after a mandatory public hearing and the said application shall be decided by the competent authority on or before September 23, 2018. In the interim, the High Court ordered us to cease construction and all other activities on site for the proposed expansion project with immediate effect. Separately, SIPCOT through its letter dated May 29, 2018, cancelled 342.22 acres of the land allotted to us for the proposed expansion project, which has been stayed by High Court of Madras. Further, the TNPCB issued orders on June 7, 2018, directing the withdrawal of the consent to establish for the expansion project, which is valid until March 31, 2023.

Hearing the case of expansion project, Madras High Court vide its order dated October 3, 2018 has granted an interim stay in favour of the Company against order of SIPCOT (State Industries Promotion Corporation of Tamil Nadu) dated May 29, 2018, cancelling 342.22 acres of the land allotted to us. The MoEF & CC has updated on its website that Vedanta Limited’s environmental clearance for expansion project will be considered for ToR either upon verdict of the NGT case or upon filing of a Report from the State Government/ District Collector, Thoothukudi. The Company has also filed Appeals before the TNPCB Appellate Authority challenging withdrawal of CTE by the TNPCB. The matter is pending for hearing and is listed on June 8, 2022 for Vedanta to file a counter against an impleadment made by one Ms. Fatima Babu. The matter was last heard on June 8, 2022 wherein the TNPCB filed its counter in the matter. The matter is next listed for July 06, 2022.

– Challenge relating to the environmental clearance granted for our expansion plans of refinery in Lanjigarh

On November 20, 2015, the MoEF & CC granted an environmental clearance in line with the Expert Appraisal Committee’s recommendation for the alumina refinery expansion up to 4 mtpa and environmental clearance of up to 6 mtpa, which will be received as an amendment to the existing environmental clearance after the completion of land acquisition of the balance area of 666.03 HA. Further, a Consent to establish for 4 mtpa and CTO for 2 mtpa has also been granted.

On February 18, 2016, an individual challenged the environmental clearance granted for the alumina refinery expansion at Lanjigarh before the NGT, Kolkata, wherein MoEF & CC, Odisha State Pollution Control Board and we have been made parties. Pleading in the matter is complete and pending for hearing of arguments,

however, the same has not been posted owing to the paucity of judges in the Tribunal. It is pertinent to note that the Hon'ble NGT has not passed any interim order staying the project as prayed by the appellant. The matter was listed for hearing and disposal on January 4, 2022 wherein the NGT took the affidavit filed by Odisha State Pollution Control Board on record and posted the matter for hearing on January 20, 2022. The matter was then listed for final hearing and disposal on February 22, 2022 wherein the counsel for the Appellant sought an adjournment. Now the matter is listed for final hearing and disposal on April 01, 2022. On April 01, 2022, due to unavailability of our arguing counsel, we sought an adjournment. The matter has thereafter been posted for hearing on April 29, 2022. The matter was listed for final hearing before a special bench of the NGT on May 02, 2022, wherein the bench disposed off the appeal by directing the EC to remain intact for the expansion project. Certain additional directions were also passed with regards to payment of Environmental Compensation and a setting up of a Committee to formulate additional conditions on water drawl from Tel river, Fly Ash utilisation, Red Mud utilisation/disposal and approve restoration plan for utilising the compensation amount. A review application against the judgement of the NGT has been filed by Vedanta Limited on May 25, 2022.

– ***Proceedings against us challenging environmental consents received for our expansion project of pig iron, metallurgical coke, sinter plants and power plant in Goa***

An application was filed by the village panchayat head of Navelim, Goa before the NGT against the Goa State Pollution Control Board (“GSPCB”), MoEF & CC, State of Goa, others and us alleging that (i) GSPCB had issued its approval in a piecemeal manner to us, even though the environmental clearance order issued by the MoEF & CC and the approval are for all four plants thereby violating the MoEF & CC order, (ii) the no-objection certificate issued in relation to this project in 2007 was forged and fabricated, and (iii) the CN5 bridge at Maina-Navelim junction falls outside the notified industrial area, and crosses a public road belonging to the village panchayat. The application sought cancellation of the approval and the order of the MoEF & CC. On March 1, 2013, the NGT gave directions to issue notices to all the parties. We responded on April 11, 2013, denying all contentions and submissions made by the village head and requested that the application be dismissed. Pleadings in the matter have been completed. Subsequently on February 10, 2014, the matter was transferred from the Principal Bench of the NGT at New Delhi to the Western Bench of the NGT at Pune.

The application of Village Panchayat Navelim before NGT, Pune was kept in abeyance since an identical issue against us was pending before the Supreme Court. The said identical issue pertaining to Amona Expansion was later referred to NGT Principal Bench at Delhi by the Supreme Court. The Amona Expansion NGT, Delhi matter was disposed with the direction to MoEF for passing any directions or conditions for the grant of EC to us. MoEF & CC accordingly added few conditions in the EC granted to us and the Amona expansion matter was accordingly disposed. The hearing of Village panchayat Navelim application before NGT, Pune will be taken up in due course.

– ***Shenzhen Shandong Nuclear Power Construction Co. Limited has commenced arbitration proceedings against us***

On February 19, 2012, Shenzhen Shandong Nuclear Power Construction Co. Limited (“SSNP”) filed a petition before the Bombay High Court under section 9 of the Arbitration and Conciliation Act, 1996, alleging non-payment of their dues towards construction of a 210 MW co-generation power plant for a refinery expansion project at Lanjigarh, and filed a claim of ₹ 16,420 million (\$ 225 million). This was subsequent to SSNP’s notice for termination of the contract dated February 25, 2011 and legal notice dated February 23, 2012 for recovery of its alleged dues. SSNP also made a request for interim relief. Under the petition, SSNP sought for a restraining order on encashment of the advance bank guarantee, injunction from disposing or creating third party right over plant and machinery at the project site and security for the amount due under the contract. On April 25, 2012, the High Court of Bombay dismissed SSNP’s petition. SSNP appealed against this order and the High Court of Bombay by its order dated December 12, 2012 ordered us to deposit a bank guarantee for an amount of ₹ 1,870 million (\$ 25 million) until completion of the arbitration proceedings.

On April 9, 2013, we filed a counterclaim for delays in operations caused for which we argued that SSNP was responsible. Subsequently, SSNP filed an application for an interim award of ₹ 2,020 million (\$ 28 million) before the arbitral tribunal, which was not granted. The arbitral award was pronounced on November 9, 2017,

wherein the Tribunal awarded an aggregate amount of ₹ 2,210 million (\$ 30 million) to SSNP payable within a period of 120 days carrying an interest at the rate of nine per cent (9.0%) from the date of filing of the claim and along with a cost of ₹ 5 million (\$ 0.07 million). The tribunal further directed that beyond the said period of 120 days, the award amount shall carry an interest at the rate of fifteen per cent (15.0%) till the realization of the award amount.

Vedanta Limited challenged the award before the High Court of Delhi under section 34 of Arbitration Act. This was dismissed by the court, post which the Company filed an appeal under section 37 before the division bench of the High Court of Delhi. The court granted a stay subject to the deposit of the award amount. Accordingly, we deposited an amount of ₹ 1,522 million with the court, requesting the court to direct SSNP to return the bank guarantee post which the balance amount shall be deposited.

The division bench, on August 30, 2018, dismissed our appeal u/s 37 of Act and vacated all interim orders passed by the court. We challenged the said order of High Court before Supreme Court by way of a SLP. In the meantime, SSNP also filed an execution application before the High Court for appropriation of money which was deposited with the court, against which we filed an appeal to get a stay of execution.

The Supreme Court disposed of the SLP passing its final order, on October 11, 2018, partially modifying the Arbitral Award on the interest aspect as under: (i) A uniform rate of 9.00% will be applicable for the INR component of the award amount in entirety till the date of realization (ii) The interest payable on the EUR component of the award amount will be as per LIBOR + 300 basis points on the date of Award, till the date of realization.

SSNP had filed a clarification application before the Supreme Court praying for the original award pronounced by the Tribunal on November 9, 2017 which was withdrawn by SSNP and now stands disposed of.

Vedanta Limited then filed a reply to the Execution Petition filed by SSNP in the Delhi HC for giving effect to its earlier order and requesting SSNP to hand over the drawings, documents and the Bank Guarantee. The court, in its order dated August 08, 2019, accepted the Company's argument that the Euro component can be paid in INR subject to the arguments of SSNP on the next date. With respect to our submission for return of drawings and documents as a precondition to the release of payments, SSNP submitted an affidavit on September 12, 2019. The matter was then listed on October 21, 2019 for hearing and as per the order ₹ 347 Million has been released out of the deposit made with the Registry in the first week of November. In the meantime, SSNP also approached Vedanta Limited for a settlement which was rejected, stating that the same shall not be accepted unless the settlement offer is made by SSNP in writing.

On January 6, 2020, the court recorded our submissions on refund of excess security deposited with the Registry by Vedanta Limited and on the issue of release of drawings and documents as sought by Vedanta Limited. The court directed SSNP to file an affidavit within two weeks' to show that such drawings and documents have been supplied by them, thereafter two weeks' time was given to Vedanta Limited to file a reply to the same. Vedanta Limited has filed a petition to recover the surplus deposit amount lying with the Registry. In the same order, accounts officers of the court was directed to examine the calculation filed by the parties and submit the report to the court. The matter to be heard on August 02, 2021. In the meantime, SSNP filed an Execution First Appeal before the Division Bench, Delhi High Court against the aforesaid order dated January 6, 2020, wherein SSNP has prayed for modification of the arbitral award. The execution first appeal has been partly heard on November 26, 2020 and December 17, 2020. The Execution First Appeal was then listed for hearing on February 09, 2022 and has now been posted for final arguments on March 31, 2022. The arguments of both the parties in Execution First Appeal were heard at length on March 31, 2022, and the court has now reserved the final judgement. On April 27, 2022, the Delhi High Court dismissed the Execution First Appeal filed by SSNP. Pursuant to the dismissal of SSNP's execution first appeal, Vedanta Limited has filed a supplementary affidavit in the original execution petition [OMP (ENF.) (COMM.) 225/2018] highlighting the excess security deposit amount lying with the Delhi High Court registry and has sought for its refund. The execution petition was listed on May 19, 2022, wherein SSNP has been given time to file its reply against the supplementary affidavit. Next date in the matter is August 02, 2022.

Vedanta's enforcement petition was listed for hearing on March 03, 2022 but could not reach due to paucity of time. It is listed for hearing next on April 25, 2022. The matter could not reach due to paucity of time and is now posted for hearing on July 12, 2022.

The aggregate award amount now stands revised at ₹ 3,026.03 million (\$40.03 million) as on March 31, 2022.

– ***Forest development tax levied by the Government of Karnataka***

In October 2008, we filed a writ petition in the High Court of Karnataka against the Government of Karnataka and others, challenging the imposition of a forest development tax (“FDT”) at a rate of 8.0% (a subsequent demand was made for the payment of tax at the rate of 12.0%) on the value of iron oresold by us from the mining leases in the forest area, pursuant to the notification by the Government of Karnataka and the memorandum/common order issued by the Deputy Conservator of Forests. In August 2009, the High Court of Karnataka permitted the Government of Karnataka to levy the forest development tax and ordered that the demand be restricted to 50.0% of the forest development tax as an interim arrangement pending disposal of the writ petition.

We filed an application before the High Court of Karnataka, seeking modification of the order in August 2009. However, the application was not taken up for hearing. Subsequently, we filed a SLP before the Supreme Court of India against the High Court’s order. In November 2009, the Supreme Court of India ordered the High Court of Karnataka to dispose the application for modification of the order given in August 2009 and ordered us to furnish a bank guarantee towards payment of the forest development tax. In April 2010, we were ordered by the High Court of Karnataka to pay 25.0% of the demand in cash and furnish a bank guarantee for the remaining 25.0%. On December 3, 2015, the High Court of Karnataka passed its final order quashing the forest development tax notification, holding that the rate of forest development tax levied to be 8.0% and directing a refund of the amounts collected from mining lessees other than state government owned companies. The state government of Karnataka appealed against the order before the Supreme Court of India, and another mining lessee also filed a counter appeal in the matter. The matter is pending before the Supreme Court and in the interim, the Supreme Court has stayed the refund of the forest development tax amount as ordered by the High Court.

Meanwhile, the Government of Karnataka legislated the Karnataka Forest Development (Amendment) Act, 2016 (the ‘Amendment Act’) to validate the earlier law making certain amendments with retroactive effect. The Amendment Act has also changed the nomenclature of Forest Development Tax (“FDT”) to Forest Development Fee (“FDF”) with retroactive effect, since the court had previously declared that FDT was a tax and not a fee, as claimed by Government of Karnataka. We challenged the validity of the Amendment Act by way of a writ petition before the High Court of Karnataka. The High Court of Karnataka, on October 4, 2017, struck down the Amendment Act directing refund of the amounts collected. On March 13, 2017, the Supreme Court, in the appeal filed by state of Karnataka against the order of the High Court, has stayed the refund of the amount collected as FDF. On March 21, 2018, the Supreme Court directed that appeals against both the FDT and FDF matters will be heard together. The SLPs were listed on March 30, 2022 for final hearing before the Supreme Court. The Court had directed the State to file its written submission by April 5, 2022 and the matter was heard on April 7, 2022. The State Government has made the Statement to the Court that they are seriously considering settlement of the matter outside the Court. The Court has directed the parties to file their written submissions within one week and listed the matters on April 28, 2022. On April 28, 2022, the SC directed that the matter be listed immediately after two weeks on a non-miscellaneous day. The Supreme Court judge heading the bench has retired and now the matter will come up before a new bench in due course.

– ***The Amalgamation and Re-organization Scheme has been challenged by the Indian tax authorities and others***

- **GRIDCO Power purchase agreement amendment matter (Short supply issue)**

Vedanta Limited has set up a 4x600MW Thermal Power Plant (TPP) at Jharsuguda, Odisha. In the year 2012, Vedanta Limited executed a power purchase agreement (“PPA”) with GRIDCO vide Consolidated PPA dated December 19, 2012 whereby it was obligated to supply certain quantum of power from its TPP to GRIDCO. Thereafter, in 2015, Vedanta Limited had filed a petition before Orissa Electricity Regulatory Commission (“OERC”) seeking conversion of its 4 IPP units to Captive Generating Plants (“CGP’s”). The said prayer was partly allowed by OERC by its order dated January 27, 2016 and the parties were directed to make necessary changes to the PPA incorporating the directions thereof and submit the revised PPA for approval of the Commission.

Meanwhile, a meeting was held between the parties on November 01, 2016 whereby it was agreed inter alia that in case there is a shortfall in supply of power by Vedanta Limited to GRIDCO, then GRIDCO shall be entitled to levy penalty on Vedanta Limited at such rate as agreed in the minutes. In furtherance to the said MoM, GRIDCO started raising debit notes on Vedanta Limited for such shortfall in supply of power and has as such raised the debit notes on Vedanta Limited till the month of March 2022 amounting to a total value of ₹ 4,970 million (\$ 66 million). Vedanta Limited has disputed these debit notes on various grounds.

GRIDCO filed a petition in the year 2018 seeking amendment to the PPA in compliance with the OERC order dated January 27, 2016. However, GRIDCO further prayed for incorporation of a penalty clause in line with the minutes dated November 1, 2016. Vedanta Limited filed its preliminary reply inter alia submitting that there are certain issues which need to be resolved between the parties mutually and accordingly, the Commission may direct the parties to convene a meeting to sort out the issues and submit the revised PPA to the Commission for its approval.

The Commission was pleased to allow the aforementioned prayer and in furtherance to the same, a meeting was held between Vedanta Limited and GRIDCO in the presence of Director (RA), OERC on June 7, 2019. In the said meeting, certain modalities for payment of compensation by Vedanta Limited for short supply of power on the principle of no profit and no loss were agreed between the parties and minutes were signed. Therefore, the minutes dated November 1, 2016 stood superseded by the minutes dated June 7, 2019. However, subsequently GRIDCO disputed the said minutes as being non-implementable and raised additional issues as well.

GRIDCO is not making payment of undisputed outstanding receivables of Vedanta Limited towards monthly energy bills on account of the fact that it has an alleged counter claim of ₹ 27,780 million (\$ 368 million) towards debit notes being raised by it in accordance with the earlier minutes dated November 1, 2016. However, Vedanta Limited has disputed the said minutes and has also maintained that these minutes stand superseded by minutes dated June 7, 2019 which were signed between both the parties in presence of Director (RA), OERC. In fact, Vedanta Limited in its preliminary reply had also sought a direction from OERC seeking payment of 100% payment of undisputed invoices and at least 75% of disputed invoices as per the provisions of the PPA. Post signing of minutes dated June 7, 2019, we have also submitted before the Commission that we are committed to comply with the modalities agreed in the said minutes. The total receivables of Vedanta Limited as on March 31, 2022 stands at ₹ 12,926.88 million (\$ 171 million).

The final hearings in the matter were concluded on October 15, 2019. The OERC passed its final order on June 22, 2020 wherein Vedanta Limited and GRIDCO have been directed to amend the PPA in line with the terms laid out by the OERC. Additionally, OERC has directed GRIDCO to reconcile the arrears amounts due to Vedanta Limited and settle the payments within two months from date of the judgement. The reconciliation is still going on with GRIDCO.

On August 25, 2020, Vedanta Limited also filed a limited appeal before the APTEL in respect of certain limited issues arising out of the June 22, 2020 OERC Order and the pleadings are completed. The matter was admitted on March 22, 2022 and next date of listing is awaited. GRIDCO has filed an appeal before APTEL against the order dated June 22, 2020 on April 07, 2022

Additionally, on September 18, 2020, GRIDCO filed an application for review of the June 2020 OERC Order before the OERC. Arguments in the matter had concluded on the review petition. Subsequently, OERC vide Order dated October 27, 2021 observed that issues raised by GRIDCO in review petition have been discussed in the impugned order and the present submissions made by GRIDCO in the review petition have already been considered by the Commission at different paragraphs of the impugned order. The present petition appears more to be an appeal than prayer to review our order and, therefore, does not merit consideration, and hence is

dismissed.

– ***Arbitration proceedings on issues related to the cost recovery of the Ravva block***

ONGC Carry

The Ravva Production Sharing Contract (PSC) obliges the contractor parties to pay a proportionate share of ONGC's exploration, development, production and contract costs in consideration for ONGC's payment of costs related to the construction and other activities it conducted in Ravva prior to the effective date of the Ravva PSC (the ONGC Carry). The question as to how the ONGC Carry is to be recovered and calculated, along with other issues, was submitted to an International Arbitration Tribunal in August 2002 which rendered a decision on the ONGC Carry in favour of the contractor parties (including Vedanta Limited (Cairn India Limited which subsequently merged with Vedanta Limited, accordingly now referred to as Vedanta Limited)) whereas four other issues were decided in favour of GOI in October 2004 (Partial Award).

The GOI then proceeded to challenge the ONGC Carry decision before the Malaysian courts, as Kuala Lumpur was the seat of the arbitration. The Federal Court of Malaysia upheld the Partial Award. As the Partial Award did not quantify the sums, therefore, contractor parties approached the same Arbitration Tribunal to pass a Final Award in the subject matter since it had retained the jurisdiction to do so. The Arbitral Tribunal was reconstituted and the Final Award was passed in October 2016 in the Company's favour. GOI's challenge of the Final Award has been dismissed by the Malaysian High Court and the next appellate court in Malaysia i.e. Malaysian Court of Appeal. GOI then filed an appeal at Federal Court of Malaysia. The matter was heard on February 28, 2019 and the Federal Court dismissed GOI's leave to appeal.

The Company has also filed for the enforcement of the Partial Award and Final Award before the Delhi High Court. The matter is next listed for hearing on September 26, 2022.

In connection with the above matter, the Company has received an order dated October 22, 2018 from the GOI directing oil marketing companies (OMCs) who are the offtakers for Ravva to divert the sale proceeds to Government's account. GOI alleges that the Ravva Joint Operations (consisting of four joint venture partners) has short paid profit petroleum of ₹ 15,890 million (\$ 216 million) (the Company share approximately ₹ 4,691 million (\$ 64 million)). Against an interim application, filed by Vedanta Limited along with one its other joint venture partner, seeking stay of such action from GOI, before the Delhi High Court, where enforcement petitions for the matter is pending, the Court directed the OMCs to deposit above sums to the Court. However, Vedanta Limited (and other joint venture partner) has been given the liberty to seek withdrawal of the proportionate amounts (fallen due as of the date of Court order) from the Court upon furnishing a bank guarantee of commensurate value.

The Delhi High Court vide its order dated May 28, 2020 has directed that all future sale proceeds of Ravva Crude with effect from June 5, 2020 be paid directly to Vedanta Limited by the OMCs. In connection with the proceedings on the above matters, GOI has also filed an interim application seeking deposit by the said OMCs towards interest on the alleged short payment of profit petroleum by the petitioner (i.e. the Company and the other joint venture partner). The interim application filed by GOI and the matter in respect of the ONGC Carry has been listed for hearing on September 26, 2022.

While the Company does not believe the GOI will be successful in its challenge, if the Arbitral Awards in above matters are reversed and such reversals are binding, the Company would be liable for approximately ₹ 4,838 million (\$ 64 million) plus interest as on March 31, 2022.

– ***Writ petition filed in the Delhi High Court by Cairn India Limited (now Vedanta Limited - oil and gas business) relating to extension of tenure of the PSC for the RJ block***

Vedanta Limited filed a writ petition before the High Court of Delhi against the MoPNG, the DGH and ONGC regarding the extension of the tenure for the Rajasthan Block PSC for the Rajasthan Block.

The Rajasthan Block PSC was valid until May 14, 2020. Consistent with the terms of the Rajasthan Block PSC, given that the Rajasthan Block is also producing natural gas, Vedanta Limited has been requesting an extension of the tenure of the Rajasthan Block PSC for a period of up to 10 years, i.e., until May 14, 2030.

In view of MoPNG's delay, a writ petition was filed by Cairn India (now Vedanta Limited) on December 11,

2015, seeking relief from the High Court of Delhi.

The High Court of Delhi on May 31, 2018 allowed the writ petition, directing GoI to extend the Rajasthan Block PSC for a period of ten years beyond the current contract term in accordance with Article 2.1 of the Rajasthan Block PSC on the same terms and conditions. The GOI appealed the decision of the Single Bench before the Division Bench High Court of Delhi.

On directions of the Division Bench in an application filed by Vedanta, the GOI granted its approval for a ten-year extension of the Rajasthan Block PSC pursuant to its letter dated October 26, 2018 under the Pre-NELP Extension Policy, subject to certain conditions.

The matter was decided vide order dated March 26, 2021, when the High Court has allowed the appeal of GOI against the single judge order. While the Company has challenged the Judgement of the Division Bench of High Court before the Supreme Court vide its SLP filed on June 30, 2021, the Company has paid additional 10% Profit Petroleum to the GOI w.e.f. May 15, 2020, in absence of any stay on the same. We have filed application seeking interim relief on March 08, 2022. On May 18, 2022, Company had made an oral submission before the Supreme Court seeking urgent listing of the matter and the court has directed the Registry to list the matter in the first week of July 2022.

– ***Writ petition filed in the High Court of Delhi by Cairn India Limited (now Vedanta Limited - oil and gas business) relating to export of crude oil from RJ Block***

Cairn India Limited (now Vedanta Limited - oil and gas business) has filed a writ petition before the High Court of Delhi against the Directorate General of Foreign Trade (“DGFT”), the MoPNG, and Indian Oil Corporation Limited (“IOCL”) for the export of crude oil from the RJ Block.

Due to its nature and composition, RJ Block crude has the potential to be valued higher by refineries in other markets, beyond the prices being received from the GoI nominated buyers, and other domestic, private refineries. Since 2009, Cairn India Limited (now Vedanta Limited - oil and gas business) has been receiving bids from international buyers and refineries offering prices that are an additional \$ 3-4 per bbl more than the domestic sale prices for RJ Block crude.

In accordance with the provisions of the RJ Block PSC and the applicable GoI policies for crude oil export, Cairn India Limited (now Vedanta Limited - oil and gas business) repeatedly requested IOCL and MoPNG to allow it to export RJ Block crude oil, to which there has been no firm response. Cairn India Limited (now Vedanta Limited - oil and gas business) also made written requests to the DGFT to intervene in the matter, which again proved unsuccessful.

In view of the aforesaid, Cairn India Limited (now Vedanta Limited - oil and gas business) filed a writ petition in the High Court of Delhi on December 11, 2015 to obtain relief in the form of orders to the DGFT, MoPNG and IOCL for approvals and authorizations to permit and facilitate the export of RJ Block crude oil, to the extent GoI nominated buyers are unable to cover the entire production. Through its order dated December 14, 2015, the High Court ordered the MoPNG, DGFT and IOCL to obtain necessary instructions on whether the GoI was willing to pick up the entire crude oil production from the RJ Block, or in the alternative was ready to grant permission to Cairn India Limited (now Vedanta Limited - oil and gas business) to directly export the crude oil not covered by the GoI nominees.

On October 18, 2016, the High Court set aside the writ petition. Cairn India Limited (now Vedanta Limited - oil and gas business) filed an appeal against the said order before the division bench of the High Court of Delhi which was also dismissed on November 28, 2018. Vedanta Limited has now filed a SLP before the Supreme Court of India against the dismissal of the writ petition by the Delhi High Court. The matter was heard on April 22, 2019 by the Supreme court and the court directed that notice be issued to GoI and has given four weeks’ time to GoI to revert with its response, post which the matter will be listed for hearing to decide upon the admission of the SLP. No reply was filed by GoI. Vedanta Limited on December 21, 2021 filed a petition to withdraw the SLP. On February 16, 2022 Vedanta filed an application for urgent listing of petition for withdrawal of SLP.

– ***Cairn DGH arbitration issue***

The GOI granted its approval for a ten-year extension of the Rajasthan Block PSC vide letter dated October 26, 2018 under the Pre-NELP Extension Policy, subject to certain conditions. The conditions relate to the completion of certain (i) technical activities in the Rajasthan Block before the expiry of the primary tenure of the Rajasthan Block PSC, (ii) prescribes mechanism and criteria for exploration cost recovery, (iii) submission of audited accounts/end of year statements and (iv) payment against any amounts due on account of audit observations. The GOI has subsequently on December 3, 2019 removed the condition of the submission of audited accounts as imposed under the letter of extension dated October 26, 2018.

In connection with one of the conditions for the Rajasthan Block PSC extension, the DGH raised certain queries on May 12, 2020 relating to the notification of certain audit exceptions raised for fiscal year 2016 to 2017 relating to the share of Vedanta Limited and its subsidiary. Vedanta Limited has disputed these queries together with the other audit exceptions for fiscal years 2016 to 2018 on the basis that such audit findings and exceptions are not in accordance with the Rajasthan Block PSC nor are they sustainable and thereby do not prevail nor result in the creation of any liability on Vedanta Limited and its subsidiary. Vedanta Limited is of the belief that it has reasonable grounds to defend its proposition and which are further supported by independent legal opinions on the same. Vedanta Limited had proposed for the relevant issues pertaining to these audit findings and exceptions to be referred for expert determination in accordance with the provisions of the Rajasthan Block PSC. On May 14, 2020, Vedanta Limited invoked the dispute resolution process in accordance with the Rajasthan Block PSC process and issued notice for arbitration to which the GOI has responded on June 29, 2020. The arbitration tribunal stands constituted and Vedanta also filed its application for interim relief. The interim relief application was heard by the Tribunal on December 15, 2020 wherein it was directed that GOI should not take any coercive action to recover the disputed amount of audit exceptions which is presently in arbitration and that during the arbitration period, GoI should continue to extend the tenure of the Rajasthan Block PSC on terms of current extension. The GOI has challenged the said order before the Delhi High Court which is next listed for hearing on July 11, 2022. The GoI has also filed application before the Tribunal objecting to its jurisdiction to decide issues arising out of or relating to the PSC extension policy dated April 7, 2017, the Office Memorandum dated February 1, 2013, as amended and audit exceptions notified for FY 2016-18. Vide its order dated September 23, 2021, the Tribunal dismissed the motion and ordered costs in favour of VL & CEHL. The costs are not payable until the end of the arbitration or further order in the meantime. Vedanta has also filed an application seeking directions from the Delhi High Court to direct GoI to not link the PSC extension with the wrongful demand under the audit exceptions and to extend the PSC for 10 years without insisting upon a payment of disputed dues which have been already referred to arbitration. This application was heard briefly on April 12, 2022 and notice has been issued. GOI has filed its reply on May 13, 2022. Vedanta has filed its Rejoinder to GoI's Reply on May 20, 2022.

Separately, on September 23, 2020, GOI filed an application for interim relief before Delhi High Court seeking payment of all disputed dues. The Delhi High Court has not passed any order against any of the parties and the matter is listed for hearing on July 11, 2022.

- Arbitration proceedings related to ONGC's obligation to share contract costs in respect of the Rajasthan Block PSC.

The dispute pertains to inter-party issues between ONGC, Vedanta Limited ("Operator") and Cairn Energy Hydrocarbons Limited ("CEHL") (ONGC, Vedanta Limited and CEHL collectively referred to as "Contractor Parties") in relation to key components of the parties' contractual relationships, including their respective right to recover Contractor's Contract Costs incurred as a result of Petroleum Operations and ONGC's contractual obligation to contribute its Participating Interest ("PI") share of such costs in the RJ Block and the subsequent finalization of accounts for the RJ Block. GoI has taken the position, among other things, that the Operator's annual accounts and statements are not final. The same is due to the Contractor Parties' divergent views on the RJ Block accounts and non-adoption of the accounts by the Management Committee ("MC") of the RJ Block. The GoI has directed the Contractor Parties to "finalize Cost Oil", in the absence of which disputed profit petroleum ("PP") payments should be payable to GoI.

These issues arise from the interpretation and application of the RJ Operating Agreement ("OA"), the Rajasthan Block PSC.

On March 01, 2019, Vedanta Limited served a notice of arbitration in accordance with the dispute resolution mechanism prescribed in the Rajasthan Block PSC and OA to ONGC and ONGC has responded to the same on April 12, 2019. The Arbitral Tribunal has been constituted in accordance with and pursuant to the Rajasthan Block PSC. The pleadings have been completed in the matter and evidential hearing concluded on January

28, 2022. Post hearing brief has been submitted by both the parties on April 4, 2022. Reply to post hearing briefs have been submitted by both the parties on May 9, 2022. Final arguments concluded on May 30-31, 2022. Award is awaited.

In parallel, on May 10, 2019, ONGC filed an interim application under Section 9 of the (Indian) Arbitration Act seeking interim relief before the High Court of Delhi claiming royalty from Vedanta Limited of approximately \$ 394 million along with interest. The matter has been listed several times since May 2019 and no interim relief sought by ONGC had been granted. The matter is now listed on August 29, 2022.

– ***Baker Arbitration***

Vedanta Limited had entered into two development contracts viz. Supply and Services, in 2018 with two Baker Hughes companies in the MBA fields in Rajasthan block. On the notice of force majeure by Baker in respect of the services contract, Vedanta Limited as per its contractual right terminated the active call outs under the Services contract. There is a dispute between the parties relating to the amount payable towards outstanding dues as on the date of Termination and whether only active call outs under the Service Contract stand terminated or both contracts in entirety are terminated. Baker invoked arbitration under both the contracts in November 2020 and are claiming a total amount of \$ 124 million from Vedanta Limited, which is disputed by Vedanta Limited. The Tribunal has been constituted and as per the Procedural Order, the Claimants have filed their Statement of Claim on March 25, 2022. Statement of Defence and Counterclaim to be filed by Vedanta by June 21, 2022.

- ***NGT Matter***

Vedanta Limited (Div: Oil & Gas) was granted an EC by MoEF & CC dated April 19, 2019 for expansion of its capacity from 300,000 BOPD to 400,000 BOPD for RJ-ON-90/1 Block. The grant of the EC has been challenged by a local resident on the purported grounds that Vedanta Limited is causing pollution in the nearby areas in violation of the EC conditions and has made an application before the National Green Tribunal (Central Zone) for the cancellation of the EC. Vedanta Limited has filed its reply against the Application along with documents refuting all allegations. The Applicant has filed rejoinder on April 18, 2022 and the matter was heard on May 23, 2022. On May 30, 2022, the matter was disposed off in favour of Vedanta Limited.

- ***Writ Petition against 12(1)(hh) notice received from Directorate of Mines and Geology***

On May 4, 2022, Vedanta Limited, Sesa Resources Limited, Sesa Mining Corporation Limited and Cosme Costa received notices from DMG to comply with the provisions of Section 12(1)(hh) of the Mineral Concession Rules (Other than Atomic and other Hydrocarbon Energy Minerals) Concession Rules, 2016 demanding dispossession from their mining leases by June 6, 2022. The notice mentioned that vide order dated April 21, 2014 in Goa Foundation I, and order dated February 7, 2018 in Goa Foundation II, the mining leases of the notice receivers had expired. Further, it was also mentioned that the Supreme Court vide order dated January 30, 2020 in another matter granted a period of 6 months to the leaseholders to remove all the mineral ores, machinery, and other materials lying on the mining leases as per clause 12(1)(gg) of MCR Rules, 2016. Vide order dated October 13, 2020 in Chowgule and Company Private Limited v. Goa Foundation, the Supreme Court granted time till January 2021 for the removal of mineral ore from the mining leases. A writ petition has been filed on behalf of Sesa Resources Limited on May 17, 2022 before the High Court of Bombay at Goa (WP 1115 of 2022), wherein, among other grounds, it was contended that the direction in Chowgule case was only for removal of mineral ore, and it cannot be extended to dispossession of mining leases under Section 12(1)(hh). Further, the challenge to the constitutional validity of the Goa Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987 which abolished the mining concessions and converted them to mining lease, is pending before the Supreme Court in Property Owner's Association Vs State of Maharashtra since 1998, and until the matter is pending, no decision regarding the title of the mining leases can be taken as Sesa Resources Limited has been granted the concession in perpetuity by the Portuguese mining laws.

The first hearing in the WP 1115 of 2022 matter took place on May 18, 2022, wherein the bench directed to list the matter on June 6, 2022. Respondents were directed to file their response by June 6, 2022. On June 6, 2022,

one of the judges hearing the matter recused from hearing the matter. A new bench for hearing the matter will be constituted. No next date is fixed as of now.
