### **About Sesa**

Sesa is India's largest producer and exporter of iron ore in the private sector. The company is a majority owned and controlled subsidiary of Vedanta Resources plc, the London listed FTSE 100 diversified metals and mining major. For over five decades, Sesa has been involved in iron ore mining, beneficiation and exports. Over the last two decades, it has diversified into the manufacture of pig iron and metallurgical coke. Sesa has mining operations in Goa and Karnataka while it also operates a 280,000 TPY metallurgical coke plant and a 250,000 TPY pig iron plant in Goa. The Company acquired the shares of Sesa Resources Limited (erstwhile VSD), which in turn holds 100% equity shares of Sesa Mining Corp. Ltd (erstwhile DMC) during FY '10.

### **Disclaimer**

This press release contains "forward-looking statements" – that is, statements related to future, not past, events and may be interpreted as 'forward looking statements' within the meaning of applicable laws and regulations. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward-looking statements by their nature address matters that are, to different degrees, uncertain. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the company's operations include a downtrend in the steel, pig iron & met coke industry – global or domestic or both, significant changes in political, economic, business, competitive or regulatory environment in India or key markets
